

MDM enrollment – iOS devices

Access Intelligent Hub App	Go to https://uhairwatch1.health.unm.edu
Server: uhairwatch1.health.unm.edu Group: BYOD	Select "Server Details" Enter Server Details & Select "Next"
User Credentials (NetID) Username & PW	Enter User Credentials provided by IT Systems Select "Next"
Device Ownership	Select "Shared" or "Dedicated" depending on deployment Select "Next"
Enable Device Management	Select "Redirect & Enable"
This website is trying to open Settings to show you a configuration profile. Do you want to allow this?	Select "Allow"
Install Profile	Select "Install" Enter Passcode Select "Install"
App Installation Chrome & Citrix auto-install	Select "Install"
Edit Home Screen	Select "Dismiss"

Logging into Citrix App

Access Citrix Workspace App	Select "Add Account"
Address: https://citrixweb.health.unm.edu	Select "Next"
Enter username & password	User Credentials (NetID) Username & PW
Domain: Health	Select "Log On"
Make sure UNMHCitrixApps is checked under "SELECT A STORE"	Select "Save"

You are now logged on. The apps the MDM account has rights to see will be displayed. It is recommended that you only launch apps from the Apps display. Do NOT use favorites at this time.

PLEASE FOLLOW THE STEPS ABOVE EXACTLY AS SPECIFIED.
