**RE: MRN Scan Rates Extended, as of 3/14/16 through 6/30/20**

This letter serves as an agreement between the Regents of the University of New Mexico for its public operation known as the Health Sciences Center (“UNMHSC”) and the Mind Research Network (“MRN”) and jointly referred to as the “Parties.”

The Parties jointly agree to use and rely on the attached MRN Scan Pricing Schedule (**Exhibit A**) for current scan pricing as well as for proposed pricing in future contract/grant proposals.

A documented commitment to pay, such as a purchase order, must be submitted to MRN before scanning on MRN imaging equipment. All payment methods will be linked to a Billing Code, which will be used to issue an invoice. Billing will be in half hour increments. Machine/scanning rate includes MRI/MEG technician. When a scanner or control room is reserved or blocked off from use by other investigators, the time will be billed accordingly. Technician labor and scanning time are not billed concurrently.

UNMHSC investigators are to request a quote by completing the following [form](#).  
UNMHSC investigators can purchase scan time by contacting: [ResearchOps@mrn.org](mailto:ResearchOps@mrn.org)

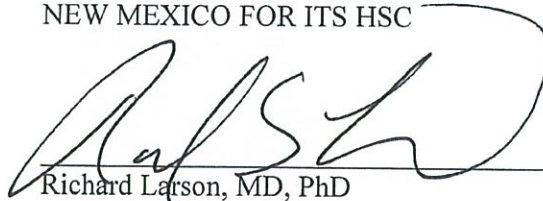

This letter is to document the agreement for scanning rates - all other MRN scanning policies and procedures remain the same.

Accepted and Agreed:

THE MIND RESEARCH NETWORK

  
Jody Roberts, Chief Operating Officer  
Director of Research
