PURCHASING DEPARTMENT
933 Bradbury Dr. SE, Ste. 3165
ALBUQUERQUE, NM 87106

Date: November 14, 2016, 2016
Request for Pricing: RFP P360-16 Design Installation & Demolition
of Fire Alarm Systems
Name of buyer: Justin M Ayala

This Addendum becomes a part of the Original document and Modifies, as noted below, the original Request for Proposal:

1. On the exhibit there are multiple sites listed, are we to provide pricing for each and every building listed or do we price out just one of the many buildings listed?

Answer: The price should be in a general form that could be used on any building. Not an all-inclusive price for a single building but pricing per hour, per device, etc., should be listed. If the price changes based on the number of devices or square footage then that can also be shown.

ALL OTHER TERMS AND CONDITIONS WILL REMAIN THE SAME.

This addendum becomes a part of the request Documents and modifies, as noted above, the original Request for Pricing documents identified. All other provisions of the pricing document shall remain unchanged. This addendum is hereby made a part of the Request for Pricing Documents to the same extent as those provisions contained in the original documents and all itemized listing thereof.

Acknowledge receipt of this Addendum in the space provided on the Request for Pricing Form. Failure to do so may cause your proposal to be considered non-responsive and your response rejected.
