Any provisions in any proposal, quotation, acknowledgment or other forms or contract documents applicable to the services that are inconsistent, or in conflict, with any provisions of this RFP or the resultant contract will be ineffective and inapplicable.

UNMH reserves the right to reject a proposal on the basis the compromising language cannot be accepted by UNMH. Any additional terms and conditions which may be the subject of negotiation will be discussed only between UNMH and the successful Offeror and shall not be deemed an opportunity to amend the Offeror's proposal.

An Awardee of a Price Agreement established with UNMH has the opportunity to market the resultant Price Agreement to other local public bodies and state agencies under the State of New Mexico Public Purchases and Property Act, NMSA 1978, Article 1, Procurement, Section 13-1-129, "Procurement under existing contracts."

5.1 ACCEPTANCE AND REJECTION. If prior to final acceptance, any goods or services are found to be defective or not as specified, or if the University is entitled to revoke acceptance of them the University may reject or revoke acceptance, require Seller to correct without charge within a reasonable time, or require delivery at an equitable reduction in price, at the University's option. Seller shall reimburse the University for all incidental and consequential costs related to unaccepted goods or services. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud, or such gross mistakes as amount to fraud. Acceptance of goods or services shall not waive the right to claim damages for breach of contract.

- 5.2 ALTERNATE OFFERS.** Alternate offers will be accepted and considered provided they are “equal to” and meet all specifications of this RFP which may include all specifications of the Brand used to identify the quality of the goods and/or services requested. The University reserves the right to make the final determination as to whether or not an alternate offer is equal. It is the Offeror’s responsibility to provide, as part of the offer, descriptive literature, specifications and information on all alternate products and services offered. References of current users should be included. If the item(s) or service(s) offered are not clearly identified as alternate item(s) or services, it is understood that the offer is for item(s) and service exactly as specified in this RFP.
- 5.3 APPROPRIATION.** The terms of the contract are contingent upon sufficient appropriations and authorization being made by the Regents of the University of New Mexico. If sufficient appropriations and authorization are not made by the Regents of the University of New Mexico, the contract shall, notwithstanding any other provisions of the contract, terminate immediately upon the Offeror’s receipt of written notice of termination from the UNMH.
- 5.4 ASSIGNMENT.** Any resultant Purchase Order/Agreement may be assignable by the University. Except as to any payment due hereunder, any resultant Purchase Order/Agreement shall not be assignable by Seller without written approval from the University.

If offering a brand, part or catalog number other than that listed, please indicate items offered and include literature and/or technical specifications. Failure to do so may cause offer to be declared non-responsive.
- 5.7 CANCELLATION.** The University reserves the right to cancel without penalty, this RFP, any resultant Purchase Order/Agreement, or any portion thereof for convenience, unsatisfactory performance, or unavailability of funds.
- 5.8 CHANGES.** The University may make changes within the general scope of any resultant Purchase Order/Agreement by giving notice to Seller and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of a resultant Purchase Order/Agreement, an appropriate equitable adjustment shall be made. No change by Seller shall be recognized without written approval of the University. Any claim of Seller for an adjustment under this Paragraph must be made in writing within thirty (30) days from the date of receipt by Seller of notification of such change. Nothing in this Paragraph shall excuse Seller from proceeding with the performance of the Purchase Order/Agreement as changed hereunder.

- 5.9 CASH DISCOUNTS.** The University will take advantage of cash discounts offered whenever possible; however, cash discounts will not be used as a means to determine the lowest cost.
- 5.10 CLEAN UP.** It is the Seller's responsibility that the job site be kept clean and free of rubble while work is performed under this contract. Upon completion of work, all areas shall be cleared of all contractors' equipment excess materials and rubble.

Seller shall file a Conflict of interest Disclosure form with the University Purchasing Department.
- 5.12 COOPERATION AND DISPUTE RESOLUTION.** The parties agree that, to the extent compatible with the separate and independent management of each, they will maintain effective liaison and close cooperation. - 5.13 DAMAGE AND SECURITY OF UNMH PROPERTY.** The proposer shall be responsible for all damage to persons or property that occurs as a result of proposer's fault or negligence, or that of any of his employees, agents and/or subcontractors. The proposer shall save and keep harmless UNMH against any and all loss, cost, damage, claims, expense or liability in connection with the performance of this contract. Any equipment or facilities damaged by the proposer's operations shall be repaired and/or restored to their original condition at the proposer's expense, including but not limited to cleaning and painting.
- 5.14 DELIVERY DATE.** Delivery is an important consideration and is a factor in determining the award. If you cannot meet the delivery date stated, please state your earliest delivery date in your offer.

5.15 DISCLOSURE OF PROPOSAL CONTENTS. The proposals will be kept confidential until UNMH awards a price agreement. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is proprietary or confidential. The Procurement Managers will not disclose or make public any pages of a proposal on which the Offeror has stamped or imprinted “proprietary” or “confidential” subject to the following requirements:

Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal. Confidential data is normally restricted to confidential financial information concerning the Offeror’s organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-1 to 57-3A-7 NMSA 1978. The price of service offered or the cost of services proposed shall not be designated a proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, UNMH shall examine the Offeror’s request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

5.16 DISRUPTION OF NORMAL ACTIVITY. All work shall be performed so as not to interfere with normal Hospital activities. When it is necessary to disrupt normal activities, the schedule of work, and the areas to be affected must be approved by UNMH’s authorized representative prior to commencement of the work.

If prompt payment discounts apply to any resultant Purchase Order/Agreement, any discount time will not begin until the materials, supplies, or services have been received and accepted and a correct invoice has been received by the University’s Accounts Payable Department. In the event testing is required prior to acceptance, the discount time shall begin upon completion of the tests and acceptance.

Seller agrees to comply with all such laws, regulations and orders as currently in effect or hereafter amended. Seller shall not disclose any export-controlled information, or provide any export-controlled equipment or materials to UNMH without prior written notice. In the event that UNMH agrees to receive such export-controlled information, equipment or materials, Seller shall: (i) include the Export Control Classification Number (ECCN) on the packing documentation, and, (ii) send an electronic copy of the ECCN number and packing documentation to: ECCN@UNM.EDU

Section 1320a-7, and that each party, its employees and independent contractors are not otherwise ineligible for participation in federal healthcare programs. Further, each party represents that it is not aware of any such pending action(s) (including criminal actions) against each party or its employees or independent contractors. Each party shall notify the other immediately upon becoming aware of any pending or final action in any of these areas.
- 5.20 EQUAL OPPORTUNITY AND AFFIRMATIVE ACTION.** In performing or providing the services and goods required under a resultant Purchase Order/Agreement, each party shall be an equal opportunity employer and shall conform to all affirmative action and other applicable requirements; accordingly, each party shall neither discriminate nor permit discrimination in its operations or employment practices against any person or group of persons on the basis of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or medical condition, sexual preference, prior military involvement or any other manner prohibited by law.
- 5.21 EQUIPMENT REQUIRED.** The proposer shall be responsible for supplying and maintaining all equipment and materials necessary to complete the work to be performed under this RFP except as otherwise noted in the Specifications.

- 5.23 GENERAL TERMS AND CONDITIONS:** UNMH's General Terms and Conditions are an equal and integral part of this request. All terms and conditions of this request will remain unchanged for the duration of the contract and will supersede and take precedence over any Offeror's agreement forms. Offeror must include a detailed description regarding any exceptions to the terms and conditions of this RFP. If exceptions or deviations are not clearly stated, it is understood that the terms and conditions of this proposal shall govern.
- UNMH reserves the right to reject any proposal that does not meet the terms and conditions of the request for proposal. It further reserves the right to accept or reject any modifications to the terms and conditions if it is in the best interest of UNMH to do so.
- 5.24 F.O.B.** Unless stated otherwise, the price for goods is F.O.B. the place of destination, and the place of destination is the University's designated campus address.

- 5.25 FOREIGN PAYMENTS.** Payment for services performed by a foreign individual or a foreign corporation while in the US may be subject to 30% tax withholding per IRS Publication 515.
- 5.26 GOVERNING LAW.** All resultant Purchase Order/Agreements shall be construed in accordance with the laws of the State of New Mexico as they pertain to Purchase Order/Agreements executed and fully to be performed within New Mexico, or federal law where applicable, but in either case excluding that body of law relating to choice of law.
- 5.27 GRAMM-LEACH-BLILEY ACT.** Pursuant to the Gramm-Leach-Bliley Act and the regulations set forth at 16 CFR Part 314, the UNMH requires its Service Providers to implement and maintain appropriate safeguards for the protection of Customer Information. Accordingly, the Service Provider shall implement and maintain a comprehensive information security program that contains administrative, technical and physical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of confidential Customer Information that it creates, receives, maintains, or transmits on behalf of the University. In addition, the Service Provider will require and ensure that any of its agents, sub-contractors, or sub-consultants, to which it provides confidential Customer Information of the University, implements appropriate security measures to protect confidential Customer Information of the University.

Service Provider shall not use or disclose covered data and information received from or created on behalf of the University except as permitted or required by this Purchase Order/Agreement, as required by law, or as otherwise authorized in writing by the University. Upon becoming aware of a security breach in which University Customer Information is used or disclosed in a manner not authorized or covered by this Purchase Order/Agreement, including any reasonable belief that an unauthorized individual has accessed a database containing covered data and information, or in violation of any applicable state or federal laws, Service Provider will report to the University any security incident immediately upon being aware of such a breach and take such corrective steps/action to remedy the breach as requested by the University and required by law.

Upon termination, cancellation, expiration or other conclusion of this Purchase Order/Agreement, Service Provider shall return to the University covered Customer Information and data unless the University requests in writing that such Customer Information and data be destroyed. Service Provider shall complete such return or destruction not less than 30 days after the conclusion of this Purchase Order/Agreement. Within such 30 day period, Service Provider shall certify in writing to the University that such return or destruction has been completed. To the extent return or destruction is not feasible; this Purchase Order/Agreement shall remain in full force and effect.

Service Provider means any person or entity that receives, maintains, processes, or otherwise is permitted access to Customer Information through its direct provision of services to a financial institution. The Gramm-Leach-Bliley Act broadly defines “financial institution” as any institution engaging in the financial activities enumerated under the Bank Holding Company Act of 1956, including “making, acquiring, brokering, or servicing loans” and “collection agency services”. Because higher education institutions participate in financial activities, such as processing student financial aid and student loans, FTC regulations consider them financial institutions for purposes of the Gramm-Leach-Bliley Act.

Customer Information means any record containing nonpublic information as defined in 16 CFR 313.3(n), about a customer of a Financial Institution, whether in paper, electronic or other form that the University has obtained from a customer in the process of offering a financial product or service including offering student aid and loans to students as defined in 12 CFR 225.28. Any and all Customer Information provided by the University to the Service Provider or which the Service Provider acquires through its own efforts in rendering or providing any goods or services under this Purchase Order/Agreement, shall be considered confidential and held in strict confidence and shall only be released to the Service Provider’s own personnel, agents, sub-contractors and sub-consultants only to the extent necessary to provide or perform the goods and/or services required by this Purchase Order/Agreement. Such information shall not be released by the Service Provider to any other person or organization without the prior written consent and approval of the University."

Seller shall indemnify, defend and hold harmless the University, its officers, agents, and employees from any and all liability for such losses, expenses, damages, demands, and claims and shall defend any suit or action brought against any or all of them based on any actual or alleged personal injury or damages and shall pay any damage costs and expenses including attorneys' fees, in connection with or resulting from such suit or action. Seller will also indemnify, defend and hold harmless the University against any joint and several liabilities imposed against the University with respect to strict products liability claims attributable to the fault of the Seller.

This Request for Proposal Number must appear on the Certificate of Insurance.

Offeror's agreement may also be terminated if Offeror's liability insurance coverage is modified or terminated.

Submission of an offer in response to this Request for Proposal constitutes acceptance of all this Request's terms and conditions. The terms and conditions of the Request may not be modified, altered, nor amended in any way by any Offer. The UNMH Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the UNMH Evaluation Committee.
- 5.59 SCHEDULE DELAYS.** If after the award, the Seller becomes aware of possible problems that could result in delay in completion of the work on the agreed-to schedule; the Seller must immediately notify the Buyer or the designated representative. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the Seller of its contractual obligations; however, failure to notify UNMH promptly will be basis for determining the Seller responsibility in an otherwise excusable delay.
- 5.60 SELLER'S EMPLOYEES AND AGENTS.** Seller shall have complete charge and responsibility for persons employed by Seller and engaged in the performance of the specified work. The Seller, its agents and employees state that they are independent contractors and not employees of the University. The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Regents of the UNMH of New Mexico, or other sponsoring agency for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Regents or other sponsoring agency, this Agreement will terminate upon delivery of written notice by UNMH to Contractor. The decision of UNMH as to whether sufficient appropriations are available will be accepted by Contractor and will be final.

8.3. Antifraud Compliance. Both parties to this Agreement expressly acknowledge that the Medicare/Medicaid antifraud statute, 42 U.S.C. Section 1320a-7b, prohibits "illegal remuneration" as defined therein, in connection with the provision of goods or services for which payment is made in whole or in part under Medicare. The parties are entering into this Agreement with the intent of complying fully with the Medicare/Medicaid antifraud statute. To this end, the parties expressly agree that nothing contained in this Agreement is intended to, or shall in the context of the administration of this Agreement, require either party to refer any patients to the other, or to any affiliate or subsidiary of the other; rather, the purpose of this Agreement is to clarify the parties' understanding with regard to services to be provided to Contractor by UNMH.

8.4. Binding Effect. This Agreement is binding upon, and inures to the benefit of, the parties to this Agreement and their respective successors and assigns.

- 8.5. Changes.** UNMH may make changes within the general scope of any scope of work by giving notice to Contractor and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of a resultant scope of work, a mutually agreeable and equitable adjustment shall be made. No change by Contractor shall be recognized without written approval of UNMH. Any claim of Contractor for an adjustment under this Paragraph must be made in writing within thirty (30) days from the date of receipt by Contractor of notification of such change. Nothing in this Paragraph shall excuse Contractor from proceeding with the performance of this Agreement as changed hereunder.
- 8.6. Clean up.** It is the Contractor's responsibility that the job site be kept clean and free of rubble while work is performed under this contract. Upon completion of work, all areas shall be cleared of all Contractor' equipment excess materials and rubble.
- 8.7. Confidentiality.** The confidentiality of client records will be maintained by the parties in accordance with applicable federal and state laws and regulations. The parties hereby agree to the terms and conditions of the Business Associate Addendum attached to and incorporated in this Agreement as Attachment B.
- 8.8. Conflict of Interest.** Contractor shall disclose to the UNMH Purchasing Department the name(s) of any UNMH employee or member of the Board of Regents who has a direct or indirect financial interest in the Contractor or any proposed transaction. A UNMH employee (or Regent) has a direct or indirect financial interest in the Contractor or in the proposed transaction if presently or in the preceding twelve (12) months the employee/Regent or a close relative has an ownership interest in the Contractor (other than as owner of less than 1% of the stock of a publicly traded corporation); works for the Contractor, is a partner, officer, director, trustee or consultant to the Contractor, has received grant, travel, honoraria or other similar support from the Contractor, or has a right to receive royalties from the Contractor. Contractor shall file a Conflict of interest Disclosure form with the University Purchasing Department.
- 8.9. Damage and Security of UNMH Property.** The contractor shall be responsible for all damage to persons or property that occurs as a result of proposer's fault or negligence, or that of any of his employees, agents and/or subcontractors. Any equipment, software or facilities damaged by the proposer's operations shall be repaired and/or restored to their original condition at the contractor's expense.
- 8.10. Dispute Resolution and Cooperation.** The parties agree that, to the extent compatible with the separate and independent management of each, they will maintain effective liaison and close cooperation. If a dispute arises related to the obligations or performance of either party under this Agreement, representatives of the parties will meet in good faith and work within reasonable efforts to resolve the dispute.
- 8.11. Disruption of Normal Activity.** All work shall be performed so as not to interfere with normal Hospital activities. When it is necessary to disrupt normal activities, the schedule of work, and the areas to be affected must be approved by UNMH's authorized representative prior to commencement of the work.
- 8.12. ECCN Reporting Requirement.** Contractor acknowledges that providing goods and services under this Agreement is subject to compliance with all applicable United States laws, regulations, or orders, including those that may relate to the export of technical data or equipment, such as International Traffic in Arms Regulations ("ITAR") and/or Export Administration Act/Regulations ("EAR"). Contractor agrees to comply with all such laws, regulations and orders as currently in effect or hereafter amended. Contractor shall not disclose any export-controlled information, or provide any export-controlled equipment or materials to UNMH without prior written notice. In the event that UNMH agrees to receive such export-controlled information, equipment or materials, Contractor shall: (i) include the Export Control Classification Number (ECCN) on the packing documentation, and, (ii) send an electronic copy of the ECCN number and packing documentation to: ECCN@UNM.EDU.
- 8.13. Eligibility for Participation in Government Programs.** Each party represents that neither it, nor any of its management or any other employees or independent contractors who will have any involvement in the services or products supplied under this Agreement, have been excluded from participation in any government healthcare program, debarred from or under any other federal program (including but not limited to debarment under the Generic Drug Enforcement Act), or convicted of any offense defined in 42 U.S.C. Section 1320a-7, and that it, its employees, and independent contractors are not otherwise ineligible for participation in federal healthcare programs. Further, each party represents that it is not aware of any such pending action(s) (including criminal actions) against it or its employees or independent contractors. Each party shall notify the other party immediately upon becoming aware of any pending or final action in any of these areas.
- 8.14. Employee Certification.** The Contractor and all Contractor' employees utilized on the work to be performed under this agreement must have the proper certification(s) and license(s) to comply with State and local requirements connected to this agreement. The Contractor shall use only fully qualified and approved service technicians to perform inspections, installations, support, maintenance service, repairs and upgrades under this request.

- 8.15. Entire Agreement.** This Agreement and the terms and conditions included in the purchase order incorporates all UNMH's RFP PXXX-14 and addendums thereto, (Attachment C) and Contractors response to RFP PXXX-14 (Attachment D) and are made part of this agreement. This represents the entire contract between the parties and, except as otherwise provided herein, may not be amended, changed, modified, or altered without the written consent of the parties hereto. All of the conditions, agreements, and understandings between the parties concerning the subject matter of this Agreement, and all such conditions, understandings, and agreements have been merged into this written Agreement. No prior condition, agreement, or understanding, verbal or otherwise, of the parties or their agents, shall be valid or enforceable unless embodied in this written Agreement.
- 8.16. Equal Opportunity and Affirmative Action.** In performing or providing the services and goods required under this agreement, each party shall be an equal opportunity employer and shall conform to all affirmative action and other applicable requirements; accordingly, each party shall neither discriminate nor permit discrimination in its operations or employment practices against any person or group of persons on the basis of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or medical condition, sexual preference, prior military involvement or any other manner prohibited by law.
- 8.17. Force Majeure.** Neither party shall be in default or otherwise liable for any delay in or failure of its performance under this Agreement if such delay or failure arises by any reason beyond its reasonable control, including any act of God, any acts of the common enemy, the elements, earthquakes, floods, fires, epidemics, riots, failures or delay in transportation or communications, or any act or failure to act by the other party or such other party's employees, agents or contractors; provided however, that lack of funds shall not be deemed to be a reason beyond a party's reasonable control. The parties will promptly inform and consult with each other as to any of the above causes, which in their judgment may or could be the cause of delay in the performance of this Agreement.
- 8.18. Foreign Payments.** Payment for services performed by a foreign individual or a foreign corporation while in the US may be subject to 30% tax withholding per IRS Publication 515.
- 8.19. Governing Law.** This Agreement will be construed, interpreted, governed and enforced in accordance with the statutes, judicial decisions, and other laws of the State of New Mexico.
- 8.20. Gramm-Leach-Bliley Act.** Pursuant to the Gramm-Leach-Bliley Act and the regulations set forth at 16 CFR Part 314, UNMH requires its Contractors to implement and maintain appropriate safeguards for the protection of Customer Information. Accordingly, the Contractor shall implement and maintain a comprehensive information security program that contains administrative, technical and physical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of confidential Customer Information that it creates, receives, maintains, or transmits on behalf of UNMH. In addition, the Contractor will require and ensure that any of its agents, sub-contractors, or sub-consultants, to which it provides confidential Customer Information of UNMH, implements appropriate security measures to protect confidential Customer Information of UNMH.

Contractor shall not use or disclose covered data and information received from or created on behalf of UNMH except as permitted or required by this Agreement, as required by law, or as otherwise authorized in writing by UNMH. Upon becoming aware of a security breach in which UNMH Customer Information is used or disclosed in a manner not authorized or covered by this Agreement, including any reasonable belief that an unauthorized individual has accessed a database containing covered data and information, or in violation of any applicable state or federal laws, Contractor will report to UNMH any security incident immediately upon being aware of such a breach and take such corrective steps/action to remedy the breach as requested by the UNMH and required by law.

Upon termination, cancellation, expiration or other conclusion of this Agreement, Service Provider shall return to the UNMH covered Customer Information and data unless the UNMH requests in writing that such Customer Information and data be destroyed. Service Provider shall complete such return or destruction not less than 30 days after the conclusion of this Agreement. Within such 30 day period, Contractor shall certify in writing to the UNMH that such return or destruction has been completed. To the extent return or destruction is not feasible; this Agreement shall remain in full force and effect.

Contractor, means any person or entity that receives, maintains, processes, or otherwise is permitted access to Customer Information through its direct provision of services to a financial institution. The Gramm-Leach-Bliley Act broadly defines "financial institution" as any institution engaging in the financial activities enumerated under the Bank Holding Company Act of 1956, including "making, acquiring, brokering, or servicing loans" and "collection agency services". Because higher education institutions participate in financial activities, such as processing student financial aid and student loans, FTC regulations consider them financial institutions for purposes of the Gramm-Leach-Bliley Act.

Customer Information means any record containing nonpublic information as defined in 16 CFR 313.3(n), about a customer of a Financial Institution, whether in paper, electronic or other form that the UNMH has obtained from a customer in the process of offering a financial product or service including offering student aid and loans to students as defined in 12 CFR 225.28. Any and all Customer Information provided by the UNMH to the Contractor which the Contractor acquires through its own efforts in rendering or providing any goods or services under this Agreement, shall be considered confidential and held in strict confidence and shall only be released to the Contractor's own personnel, agents, sub-contractor and sub-consultants only to the extent necessary to provide or perform the goods and/or services required by this Agreement. Such information shall not be released by the Contractor to any other person or organization without the prior written consent and approval of UNMH.

- 8.21. Headings.** Headings and captions used in this Agreement are for convenience and ease of reference only and will not be used to construe, interpret, expand or limit the terms, conditions, or other provisions of this Agreement.
- 8.22. Inconsistencies.** In the event there are any inconsistencies or incompatibilities in provisions, the agreement shall take precedence by terms herein this agreement, the terms and conditions included in the purchase order, UNMH's RFP PXXX-14 and addendums thereto and Contractors response.
- 8.23. Independent Business.** Neither Contractor nor any of its agents shall be treated as an employee of UNMH for any purpose whatsoever. Contractor declares that Contractor is engaged in an independent business and has complied with all federal, state and local laws regarding business permits and licenses of any kind that may be required to carry out the said business and the tasks to be performed under this Agreement. Contractor further declares that it is engaged in the same or similar activities for other clients and that UNMH is not Contractor's sole or only client or customer.
- 8.24. Information Security Plan.** Contractor shall not install any systems software and hardware, applications, databases, information or etc. on UNMH's computing devices-assets including export/import files, custom files or etc. without prior approval from UNMH's IT division. If applicable, the Contractor **WILL** complete the UNMHs Information Security Plan hereto attached as Attachment E and submit to UNMH's IT department for approval within 30 days from date of execution of this agreement. Failure to complete form upon UNMH's request or failing to receive IT approval may result in Offeror(s) being considered as non-responsive and/or termination of agreement. UNMH reserves the right to review and verify the Information Security Plan. If UNMH identifies any deficiencies with the Information Security Plan it will notify Contractor within 30 days of such deficiencies. Thee parties shall thereafter negotiate in good faith to resolve any such deficiencies related to the foregoing. The agreement or addendums shall not be effective until the Exhibit G is approved by UNMH IT.
- 8.25. Inspection.** UNMH may inspect, at any reasonable time, any part of Contractor's plant or place of business, which is related to performance of this Agreement. Final Inspection may be made at the destination upon completion of delivery of goods and services. Acceptance of delivery shall not be considered acceptance of the goods and/or services furnished. Final inspection shall include any testing or Inspection procedures required by the Specifications.
- 8.26. Inspections, Contractor.** The Contractor shall be responsible for securing at Contractor's expense, all required inspections to comply with Federal, State and/or Local regulations governing the work performed under this Agreement.
- 8.27. Multi-Term Determination.** Pursuant to Sections 13-1-150 and 13-1-151 NMSA 1978, it has been determined that the estimated requirements covered in this Agreement are reasonably firm and continuing and a multi-term contract will serve the best interests of UNMH.
- 8.28. No Inducement to Refer.** Nothing contained in this Agreement will require UNMH or any UNMH physician to refer any patients to CONTRACTOR or require CONTRACTOR to refer patients to UNMH or any UNMH physician. The parties enter into this Agreement with the intent of conducting their relationship in full compliance with applicable federal, state and local law, including the Medicare/Medicaid Anti-Fraud and Abuse Amendments and the Physician Ownership and Referral Act (commonly known as the Stark Law). Notwithstanding any unanticipated effect of any of the provisions herein, neither party will intentionally conduct itself under the terms of this Agreement in a manner to constitute a violation of these provisions.
- 8.29. Non-Assignability.** This Agreement will not be assigned by either party, nor will the duties imposed upon either party by this Agreement be delegated, subcontracted, or transferred by either party, in whole or in part, without the prior written consent of the other party; provided, however, that UNMH may assign this Agreement to a wholly-owned subsidiary or affiliate of UNMH or any component part thereof without the consent of Contractor. Contractor shall require any subcontractors to demonstrate that they have in place administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of electronic Protected Health Information, in accordance with the Business Associate Addendum to this Agreement, and shall, upon request, provide evidence of such to UNMH. Contractor shall not, in any event, assign, delegate, transfer, or subcontract this Agreement, in whole or in part and/or directly or indirectly, to any off-shore entity. Furthermore, Contractor will not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without prior written approval of UNMH. Violation of this provision shall give UNMH the right to immediately terminate this Agreement and subject Contractor to the indemnification provision set forth in this Agreement.

Service Provider shall not use or disclose CDI received from or on behalf of Institution (or its students) except as permitted or required by the Purchase Order/Agreement, as required by law, or as otherwise authorized in writing by Institution. Service Provider agrees not to use CDI for any purpose other than the purpose for which the disclosure was made. If the Family Policy Compliance Office of the U.S. Department of Education determines that the Service Provider improperly disclosed personally identifiable information obtained from Institution's education records, Institution may not allow the Service Provider access to education records for at least five years.

Return or Destruction of CDI: upon termination, cancellation, expiration or other conclusion of the Purchase Order/Agreement. Service Provider shall return all CDI to Institution or, if return is not feasible, destroy any and all CDI. 8.40. Relationship to Parties. The parties and their respective employees are at all times acting as independent contractors. Contractor and its employees will not be considered employees of UNMH for any purpose, including, but not limited to, workers' compensation, insurance, bonding or any other benefits afforded to employees of UNMH. Neither party has any express or implied authority to assume or create any obligation or responsibility on behalf of or in the name of the other party.

8.43. Scheduled Delays. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the Contractor of its contractual obligations; however, failure to notify UNMH promptly will be basis for determining the Contractor responsibility in an otherwise excusable delay.

The Contractor warrants by this submission of an offer that the site has been thoroughly inspected and the work to be done and that the offer includes all costs required to complete the work. version of all State and local codes, ordinances, and regulations governing the work involved.

Any use, modification, reproduction, release, performance, display or disclosure of the System, including related documentation by the U.S. Government or any of its agencies shall be governed solely by the terms of the license granted by this Agreement and shall be prohibited except to the extent expressly permitted by the terms of the license granted by this Agreement.

8.51. Waiver. No provision of this Agreement shall be deemed to have been waived by either party unless such waiver be in writing signed by the party making the waiver and addressed to the other party; nor shall any custom or practice which may evolve between the parties in the administration of the terms hereof be construed to waive or lessen the right of either party to insist upon the performance by the other party in strict accordance with the terms hereof. Further, the waiver by any party or a breach by the other party, of any term, covenant, or condition hereof, shall not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

8.52. Workers Compensation. No workers compensation insurance has been or will be obtained by UNMH on account of Contractor or its employees or agents. Contractor shall comply with the workers compensation laws with respect to Contractor and Contractor's employees and agents.
