UNM SRMC
GASTROENTEROLOGY CLINICAL PRIVILEGES

Name:
Effective Dates: ___________ To: ___________

☐ Initial privileges (initial appointment)
☐ Renewal of privileges (reappointment)
☐ Expansion of privileges (modification)

INSTRUCTIONS
All new applicants must meet the following requirements as approved by the UNM SRMC Board of Directors effective: 03/21/2012

Applicant: Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the hospital for a proper evaluation of current competence, current clinical activity, and other qualifications, and for resolving any doubts related to qualifications for requested privileges.

Clinical Service Chief: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

Other requirements:
Note that privileges granted may be exercised only at UNM SRMC and in setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

QUALIFICATIONS FOR GASTROENTEROLOGY AND ENDOCOPY CLINICAL PRIVILEGES

To be eligible to apply for core privileges in Gastroenterology and Endoscopy Clinical Privileges, the initial applicant must meet the following criteria:

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME)—or American Osteopathic Association (AOA)—accredited residency in internal medicine followed by successful completion of an accredited fellowship in Gastroenterology and Endoscopy.
AND

Current subspecialty certification or active participation in the examination process with achievement of certification within 3 years leading to subspecialty certification in Gastroenterology and Endoscopy Clinical by the American Board of Internal Medicine or achievement of a certificate of added qualifications in Gastroenterology and Endoscopy Clinical Privileges by the American Osteopathic Board of Internal Medicine.

Notwithstanding the foregoing, applicants for clinical privileges may seek an exception to this Board Certification requirement under Section 2.004 of the Bylaws of the Medical Staff of UNM Sandoval Regional Medical Center (the "Medical Staff Bylaws") and may be granted clinical privileges if such applicant is determined, in accordance with Section 2.004 of the Medical Staff Bylaws, to have qualified for one or more of these exceptions.

Required previous experience: Applicants for initial appointment must be able to demonstrate the provision of Gastroenterology and Endoscopy treatment for inpatient, outpatient, or consultative services, reflective of the scope of privileges requested, or demonstrate successful completion of an ACGME- or AOA-accredited residency, clinical fellowship, or research in a clinical setting within the past 12 months.

Reappointment requirements: To be eligible to renew core privileges in Gastroenterology and Endoscopy, the applicant must meet the following maintenance of privilege criteria:

Current demonstrated competence and an adequate volume of experience (inpatient, outpatient, or consultative services) with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on the results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.
GASTROENTEROLOGY AND ENDOSCOPY CORE PRIVILEGES

Privileges to admit, evaluate, diagnose, and provide treatment or consultative services to patients with illnesses, injuries, and disorders of the stomach, intestines, and related structures, such as esophagus, liver, gallbladder and pancreas.

Acknowledgment of Practitioner

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform and for which I wish to exercise at UNM SRMC, and I understand that:

a. In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

b. Any restriction on the clinical privileges granted to me is waived in an emergency situation, and in such situation my actions are governed by the applicable section of the medical staff bylaws or related documents.
