UNMH Allergy/Immunology Clinical Privileges

Name: Effective Dates: _____ To: _____

□ Initial privileges (initial appointment)

Renewal of privileges (reappointment)

Expansion of privileges (modification)

All new applicants must meet the following requirements as approved by the UNMH Board of Trustees effective: 04/25/2014

INSTRUCTIONS

Applicant: Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Department Chair: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

OTHER REQUIREMENTS

1. Note that privileges granted may only be exercised at UNM Hospitals and clinics that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

2. This document defines qualifications to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.last page of this form.

Qualifications for Allergy and Immunology

Initial Applicant - To be eligible to apply for privileges in allergy and immunology, the initial applicant must meet the following criteria:

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME) or American Osteopathic Association (AOA) accredited residency in internal medicine or pediatrics followed by an accredited residency or fellowship in allergy and immunology.

AND

Current certification or active participation in the examination process leading to certification in allergy and immunology by the American Board of Allergy and Immunology or subspecialty certification of special qualifications (CSQ) in allergy and immunology by the American Osteopathic Board of Internal Medicine.

AND

Required current experience: Allergy/immunology services reflective of the scope of privileges requested with an adequate volume of inpatients or outpatients during the past 12 months, or successful completion of an ACGME or AOA accredited residency or clinical fellowship within the past 12 months.

<u>Reappointment (Renewal of Privileges) Requirements</u> - To be eligible to renew privileges in allergy and immunology, the reapplicant must continue to meet the appointment criteria and must meet the following maintenance of privilege criteria:

Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

Name: Effective Dates: _____ To: _____

CORE PRIVILEGES: Allergy and Immunology

Admit, evaluate, diagnose, consult, manage and provide therapy, and treatment for patients of all ages, presenting with conditions or disorders involving the immune system, both acquired and congenital. Selected examples of such conditions include asthma, anaphylaxis, eczema/ atopic dermatitis, contact dermatitis, sinusitis, rhinitis, urticaria, and adverse reactions to drugs, foods, and insect stings as well as immune deficiency diseases (both acquired and congenital), defects in host defense, and problems related to autoimmune disease, organ transplantation or malignancies of the immune system. Assess, stabilize, and determine disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. The core privileges in this specialty include the procedures on the attached procedure list and such other procedures that are extensions of the same techniques and skills.

□ Requested

Acknowledgment of practitioner

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform and for which I wish to exercise at UNM Hospitals and clinics, and I understand that:

a. In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

b. Any restriction on the clinical privileges granted to me is waived in an emergency situation, and in such situation my actions are governed by the applicable section of the medical staff bylaws or related documents.

Signed _____ Date _____

Department recommendation(s)

I have reviewed the requested clinical privileges with the applicant and the supporting documentation for the above-named applicant and:

Recommend all requested privileges with the standard professional practice plan

Recommend privileges with the standard professional practice plan and the following conditions/modifications:

Do not recommend the following requested privileges:
