UNMH Oriental Medicine Core Privileges

Name: 
Effective Dates: ___________ To: ___________ 

All new applicants must meet the following requirements as approved by the UNMH Board of Trustees effective: 05/29/2015

INSTRUCTIONS

Applicant: Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Department Chair: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

OTHER REQUIREMENTS

1. Note that privileges granted may only be exercised at UNM Hospitals and clinics that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

2. This document defines qualifications to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

POLICIES GOVERNING SCOPE OF PRACTICE

Supervision
General supervision of the activities and services of the DOM is provided by the chair of the department to which the DOM is assigned and the supervising physician(s) of record.

Medical Record Charting Responsibilities
Clearly, legibly, completely, and in timely fashion describe each service the DOM provides to a patient in the hospital and relevant observations. Standard rules regarding authentication of, necessary content of, and required time frames for preparing and completing the medical record and portionsthereof are applicable to all entries made.

General Relationship to Others
The DOM may have authority to direct any hospital personnel in the provision of clinical services to patients to the extent that such direction is necessary in order to carry out the services required by the patient and which the DOM is authorized to provide.
Periodic Competence Assessment
Applicants must also be able to demonstrate they have maintained competence based on unbiased, objective results of care according to the hospital’s existing quality assurance mechanisms and by showing evidence that they have met the continued competence requirements established by the state licensing authority, applicable to the functions for which they are seeking to provide at this Hospital. In addition, continuing education related to the specialty area of practice is recommended/required as mandated by licensure.
