

UNMH Internal Medicine Clinical Privileges

Name:

Effective Dates: _____ To: _____

- Initial privileges (initial appointment)
- Renewal of privileges (reappointment)
- Expansion of privileges (modification)

All new applicants must meet the following requirements as approved by the UNMH Board of Trustees effective: 02/28/2014

INSTRUCTIONS

Applicant: Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Department Chair: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

OTHER REQUIREMENTS

1. Note that privileges granted may only be exercised at UNM Hospitals and clinics that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.
2. This document defines qualifications to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

UNMH Internal Medicine Clinical Privileges
