- Expansion of privileges (modification)

**INSTRUCTIONS**

*All new applicants must meet the following requirements as approved by the UNM SRMC Board of Directors effective: June 2017:*

**Applicant:** Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the hospital for a proper evaluation of current competence, current clinical activity, and other qualifications, and for resolving any doubts related to qualifications for requested privileges.

**Clinical Service Chief:** Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

**Other requirements:**
Note that privileges granted may be exercised only at UNM SRMC and in setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.
To be eligible to apply for core privileges in Emergency Medicine, the initial applicant must meet the following criteria:

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME)- or American Osteopathic Association (AOA) - accredited residency in emergency medicine.

AND

Current certification or active participation in the examination process with achievement of certification within 3 years leading to certification in emergency medicine by the American Board of Emergency Medicine or the American Osteopathic Board of Emergency Medicine.

Notwithstanding the foregoing, applicants for clinical privileges may seek an exception to this Board Certification requirement under Section 2.004 of the Bylaws of the Medical Staff of UNM Sandoval Regional Medical Center (the "Medical Staff Bylaws") and may be granted clinical privileges if such applicant is determined, in accordance with Section 24 of the Medical Staff Bylaws, to have qualified for one or more of these exceptions.

Required previous experience: Applicants for initial appointment must be able to demonstrate active practice in an ED, reflective of the scope of privileges requested, in the past 12 months with a census equal to or exceeding 10,000 patient visits annually or demonstrate successful completion of an ACGME- or AOA-accredited residency, clinical fellowship, or research in a clinical setting within the past 12 months.

Reappointment requirements: To be eligible to renew core privileges in emergency medicine, the applicant must continue to meet the appointment criteria and must meet the following maintenance of privilege criteria:

Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

EMERGENCY MEDICINE CORE PRIVILEGES

Assess, evaluate, diagnose, and initially treat patients of all ages who present in the ED with any symptom, illness, injury, or condition and provide services necessary to ameliorate minor illnesses or injuries and stabilize patients with major illnesses or injuries and to assess all patients to determine if additional care is necessary. Privileges do not include long-term care of patients on an inpatient basis. No privileges to perform scheduled elective procedures with the exception of procedures performed during routine emergency department follow-up visits. The core privileges in this specialty include the procedures on the attached procedure list and such other procedures that are extensions of the same techniques and skills.

☐ Requested

SPECIAL NON CORE PRIVILEGES (See Specific Criteria)

If desired, noncore privileges are requested individually in addition to requesting the core. Each individual requesting noncore privileges must meet the specific threshold criteria governing the exercise of the privilege requested including training, required previous experience, and for maintenance of clinical competence.

☐ Requested

QUALIFICATIONS FOR EMERGENCY ULTRASOUND FOR DIAGNOSIS OF EMERGENT CONDITION

Criteria: For ultrasound privileges that exceed those included in the emergency medicine core privileges, individuals must successfully complete an accredited postgraduate training program in emergency medicine that included training in ultrasound interpretation, or completion of a practice-based pathway and training that meets ACEP recommendations for ultrasound interpretation.

Emergency medicine physicians should obtain, at a minimum, 25 ultrasounds per primary indication or a minimum of 150 ultrasounds for general emergency ultrasound privileges.
