- Slide sets may be sent via email as a PowerPoint presentation
- Slide sets but may not have more than 20 slides in a set
 - larger slide sets are available for \$19.95 on cd-rom

NOTE:

- In order to save images, you must sign into your account before beginning a search

The screenshot shows the top navigation bar of the images.MD website. On the left is the logo 'images.MD the online encyclopedia of medical images'. On the right, the user 'Sarah K Morley' is logged in, with the date 'October 16, 2006' and a 'LOG OUT' link. Below the user name are tabs for 'MY SLIDES', 'ADVANCED SEARCH', and 'HELP'. A search bar contains '- quick search -' and a 'GO' button.

The main content area is titled 'MY SLIDES' and is divided into two columns:

- CREATE A NEW SLIDASET:** A form with a text input field containing '- new name -' and a 'GO' button. Below it is a section titled 'EMAIL A PRESENTATION' with instructions on how to create and email a PowerPoint presentation.
- CURRENT SLIDASETS:** A list of existing slidesets. The first is 'RUSS search clinic' with statistics: 1 slide, created 10/14/2006, updated 10/14/2006. The second is 'GME' with statistics: 0 slides, created 10/16/2006, updated 10/16/2006. Each slideset has a set of options: 'rename this slideset', 'delete this slideset', 'preview slideshow', and 'create PowerPoint® presentation'.
