

THE UNIVERSITY OF NEW MEXICO HEALTH SCIENCES CENTER

LIBRARY AND INFORMATICS CENTER

Remote Access to RefWorks

1. When you sign up for an individual account in RefWorks, you will receive an email (sent to the email you included in your online registration), with your remote access code.
2. That code is RWUNewMexicoHSC.
3. When accessing RefWorks remotely (ie. Not from a computer on North Campus), click on the link entitled “**Login using your Group Code**”.

[Athens Users](#)

5. Now type in the Log-in Name and Password you created when you registered.

Note: You have to **register** for RefWorks from a computer on the HSC campus. After that you can access RefWorks from anywhere using the Group Code. You also must use your Groupwise account when you register – you can't register using a yahoo or hotmail or unnm.edu account.
