

Accessibility Services at the Health Sciences Library and Informatics Center

The Health Sciences Library and Informatics Center is committed to maintaining access to the library and its collections for all library users. We welcome suggestions to improve access to library facilities and resources.

Library staff will retrieve items that are out of reach and will assist with photocopying or printing if needed.

Wheelchair access is available at raised surface public PC stations and upper floor study carrels.

Microsoft Accessibility suite is available via desktop icon on all public PCs.

Almost all journals and many books are available in electronic versions that can be enlarged on screen.

Library main floor restrooms are ADA-compliant.

ADA restroom with ceiling lift is available in Cancer Center basement.

Automatic door openers on library front door and restrooms.
