

## Immunize your child against serious diseases

# Got Shots? Protect Tots!

**Across New Mexico children can receive vaccinations without cost to parents — during the “Got Shots? Protect Tots!” event the week of February 11–16. At our clinic this event will be held on:**

Day of week, Date, Hours

- ♥ Please bring your child’s shot record(s).
- ♥ If you are insured please bring your insurance information as we may file for reimbursement of administration fees. You will not be charged any fee or co-pay.
- ♥ In addition to the routine vaccinations this is a good time to protect your child and your entire family from the flu. It is not too late to get a flu shot.
