

Bright Ideas: Consultation Time with an IRB Expert

- ◆ One-on-one and small group consultations
- ◆ **Every Tuesday:** 2:30 PM to 4:30 PM
- ◆ Human Research Protections Office (Supports both campuses)
- ◆ North Campus: Basic Medical Science Building (211)
- ◆ Room B71 (Basement)
- ◆ Appointments Preferred (272-0880), walk-ins accepted

- ◆ Have questions about human research review?
- ◆ Have a project and not sure whether you need IRB review?
- ◆ Need guidance on what paperwork is required (submission type)?

It is always better to come see us as soon as you have a project in mind.

Meeting with our office can help your study submission go smoothly and sidestep any surprises.

These consultation times will make sure we have someone available and in-person to answer questions or issues you may have.

Check out our website with monthly tips, contact information, and our latest forms at <http://hsc.unm.edu/som/research/hrrc/index.shtml>

FYI: The Redondo shuttle travels from main to north campus every 15 minutes with several different pick-up/drop-off locations. To reach our office, exit at the Medical stop—see <http://pats.unm.edu/maps.cfm> for shuttle maps.

Brought to you by the Human Research Protections Office (HRPO) - Supports the main campus and HSC IRBs, protects research subjects, and assists UNM researchers
