UNM Hospital
Interpreter Language Services
Our Mission

- The UNM Hospital Interpreter Language services department founded in 2002
- Our mission is to provide professional interpreter/translator services and education to ensure quality, accuracy, and trust in healthcare communication.
UNMH/UNM-HSC Mission

- We are committed to support the UNMH/UNM-HSC mission of serving the community and providing the highest quality healthcare. We are dedicated to helping providers establish a direct relationship with their non-English or Limited English Proficient patients through accurate and complete interpretation to increase value and successful outcomes. We are committed to support UNMH/UNM-HSC in the delivery of culturally competent care and to take a leadership role in facilitating access.
Our Services
