

BANNER BUDGET

16xx BUDGET ALLOCATION

BR-102 Budget Allocation

Date Issued/Rev: 8/27/2015

General Description: An allocation entry moves budgeted and/or actual revenue funding between indices. This procedure explains how to make a BD4 budget allocation entry and defines the business rules the entry is checked against in the approval process.

Responsible Manager: Office of Planning, Budget and Analysis
HSC Budget Office

Related: Rule class codes BD4 and JE2 require the “Department Journaler” access role to enter and complete budget allocation entries. The entry is completed in Banner using the FGAJVCQ, FGAJVCD, or the FGAJVCM form. In Self-Service, the Journal Voucher Entry form is used.

Check to be sure your transaction is an Allocation and not a Transfer. The MyReports FNRMBTA - Main and Branch Transfers Allocation report assists Main and Branch Campus departments in preparing Allocation or Transfer entries. The report is located in the Finance, F All Campus Reports folder. The Health Sciences Center report is the FORITAH HSC Transfer Allocation, located in the Finance, F HSC Reports folder. These reports verify whether the transaction is an Allocation or Transfer and provide the appropriate entries.
