

# What is My Projects F&A Rate - FEDERAL

Federal Sponsors Default Rate  
52.5% / 26%

## DECISION TREE

### DEFINITIONS

**Research:** Research and development activities that are sponsored by Federal and Non-Federal agencies & organizations. Includes activities involving the training of individuals in research techniques. Defined a systematic study directed toward fuller scientific knowledge or understanding and development being the systematic use knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes.

**Instruction:** Teaching & training activities of an institutions (except for above), whether they are offered for credits toward a degree/certificate or on a non-credit basis. Also includes sponsored instruction and training established by a sponsored Project.

**Other Sponsored Programs:** All other work other than research & instructions. Examples, health service project, community service programs, programs to enhance institutional resources, evaluative testing activities.
