CONTRACT AND GRANT
ACCOUNTING

Dear Mr. Gulbransen:

Approval of the purchasing system of the University of New Mexico (NMXU) is hereby extended through Aug 30, 2008. The original approval resulted from an on site review in February 2000. The determination was made that University of New Mexico had implemented their corrective action plans in all areas and any findings were considered closed. Ms. Sheryl Ball together with Ms. Su Jones conducted a site visit during Aug 2006. Ms. Ball recommended a one year CPSR extension.

A Contractor Procurement System Review (CPSR) is tentatively scheduled for the week of May 12, 2008.

If you have any questions or concerns, please contact me by telephone at (619) 221-5601, or by e-mail: renee.luna@navy.mil.
