

Connect with Compliance!

Authored by Compliance Staff: Brie Delvin, Associate Director

The UNM HSC Compliance Office is introducing a more streamlined way to request support, designed with your convenience in mind. A link has been added to the signature blocks of all UNM HSC Compliance Office staff that takes you to a short Smartsheet form where you can request a support session.

The UNM HSC Compliance Office currently provides support on a variety of topics outside of general compliance. Our sessions are designed to support your team in implementing and achieving projects and processes more efficiently and provide a reliable, go-to resource. Some examples of how we can help your department include:

- Risk Evaluation and Review
- Audit and Monitoring Support
- Billing/Coding Reviews and Education
- Conflict of Interest/Conflict of Commitment Disclosures
- Minors on Campus
- Reporting Tools (Compliance Hotline)

These sessions can be scheduled as a thirty-minute to an hour presentation or a short 15-minute segment in a pre-scheduled meeting or briefing (e.g., committee meetings, lunch and learn, staff meetings, etc.).

We are here to make support requests easy and accessible. Simply [click the link here](#) or in the signature block of any UNM HSC Compliance Office staff member to get started with scheduling your requested support session.
