

# HSC Institute of Ethics

## 2022-2023 Grand Rounds Series

**ALL SESSIONS WILL BE VIA ZOOM FROM 12 P.M. - 1 P.M. MST**

The Ethics Grand Round series is intended to provide an opportunity for members of the HSC campus and the wider community to learn about, consider and discuss issues that relate to providing, receiving, and organizing healthcare.

We have a broad tent: we will have speakers from various domains of ethics (i.e. clinical, professional, organizational, research, public health), the social sciences, and the humanities.

We hope that each presentation will change something—knowledge, attitude, or practice.
