

All Students are Invited to Attend

HIV in Primary Care

VIRTUAL CASE STUDY
DISCUSSION & WORKSHOP

SATURDAY
OCTOBER 8

9 A.M. - 2 P.M.

Join us for an **interactive** Interprofessional Education (IPE) Honors event in collaboration with the South Central AIDS Education and Training Center Program (SCAETC). This virtual event will give students an opportunity to collaborate on HIV-related case studies with students from other programs. IPE Honors students who attend will receive **interactive** credit.
