Dr. Larry Wilkinson (1916-1992) was born in Katy, Texas in 1916 and earned his medical degree from Baylor University in 1942. Dr. Wilkinson felt that the only reason he was able to complete medical school was because of financial aid provided by the Rotary Club of Katy. As a result, Dr. Wilkinson created the Wilkinson UNM Medical School Scholarship through the Rotary Club of Albuquerque to assist future physicians with financial need. Dr. Wilkinson was a member of the Rotary Club of Albuquerque from 1977 until his death in 1992.

Dr. Wilkinson was a regent of the University of New Mexico from 1959 to 1971 and was President of the Board. He was a strong supporter of the establishment of the UNM Medical School and volunteered his time to residents both before and after the establishment of the medical school.
