

# The Giving Voice Study:

Navajo Patients' Perspectives on  
Accessing Native Medicine Care

---

April 26, 2019 | 1:00pm-2:30pm  
Domenici North, Rm 3710

Refreshments provided | Open to the public

## Featured Panel:

### **Ursula Knoki-Wilson:**

Ursula is the Community Liaison for the Office of the CEO at Chinle Service Unit.

### **Roland Begay:**

Roland is the Office of Native Medicine Coordinator at the Chinle Service Unit (CSU).

### **Dr. Barbara Overman:**

Dr. Overman is a Clinician Educator and Associate Professor for the UNM College of Nursing, with a concentration in midwifery.

This lecture is hosted in partnership with American Indians Into Nursing (AIIN) and the Success in Nursing for Native Americans through Collaboration (SNNAC) program at the UNM College of Nursing.
