

CURRICULUM VITAE

Thomas Mark Becker

Address: Oregon Health & Science University
OHSU-PSU School of Public Health
3181 SW Sam Jackson Park Rd, CB-669
Portland, OR 97239-3098

Northwest Portland Area Indian Health Board
2121 SW Broadway, Suite 300
Portland, OR 97201

Education:

1972	B.A.	Ohio University, Psychology
1976	M.A.	University of New Mexico, Anthropology
1981	M.D.	Case Western Reserve University
1986	Ph.D.	University of New Mexico, Anthropology
1981-83	Residency	University of Washington, Dept. of Medicine
1983-85	Fellowship	Epidemic Intelligence Service, Centers for Disease Control and Prevention
1984-86	Residency	Centers for Disease Control and Prevention, Preventive Medicine

Post-Fellowship Training Seminars:

1987, 89	New England Epidemiology Institute, Tufts University
1988	American Heart Association Cardiovascular Disease Epidemiology Seminar, Lake Tahoe, CA
1989	Teaching Critical Appraisal of the Medical Literature, McMaster University
1995	University of Michigan Summer Epidemiology Program

Academic Honors, Achievements:

Phi Beta Kappa
Phi Eta Sigma
Omicron Delta Kappa
Blue Key
Psi Chi
J-Club (Junior men's honorary, Ohio University)
Summa cum laude graduate, Ohio University
Honors College graduate, Ohio University
Honors in General Studies from Honors College, Ohio University
Departmental Honors in Psychology, Ohio University
President's Award, Academic Excellence, Ohio University
John Sickles Fellowship, Anthropology Department, University of New Mexico
Joseph Collins Foundation Scholarship, Case Western Reserve University School of Medicine
FIRST Award, National Cancer Institute
Young Faculty Research Award, Department of Medicine, University of New Mexico School of Medicine
Junior Faculty Research Award, American Cancer Society
Western Society for Clinical Investigation
Senior Faculty Research Award, American Cancer Society
Janet Hill Cancer Research Merit Award, University of New Mexico Cancer Research and Treatment Center
Excellence in Teaching Award, Basic Sciences Graduate Program, OHSU, 1998, 1999, 2000
Outstanding Teaching Award, Basic Sciences Graduate Program, OHSU (by graduating students, 1999)
Faculty Excellence in Education Award, Basic Sciences Graduate Program, OHSU (by faculty nomination, 2000-2001)
Distinguished Faculty Award for Outstanding Leadership at OHSU, 2003

Area Impact Award for Service to Indian Communities, National Indian Health Board, 2003
 Elected fellow, American Epidemiological Society, 2005
 Deans' Oversight Committee, Oregon MPH program, Faculty Excellence in Research Award, 2006
 Outstanding Mentor Award, Medical Research Foundation, OHSU, 2006
 F. Marian Bishop Educator of the Year Award, Association for Prevention Teaching and Research, 2007
 Outstanding Training Program Award, Native Research Network and Indian Health Service, 2008
 OHSU Distinguished Faculty Award for Outstanding Collaboration, nominee, 2010
 Elected fellow, American College of Epidemiology, 2010
 National Cancer Institute, Cancer Information Service Certificate of appreciation, 2010
 John A. Resko Faculty Research Achievement and Mentoring Award, OHSU, 2011
 Charles and Velma Sharp Endowed Professorship, Knight Cancer Institute, OHSU, 2011
 Spirit of Eagles Achievement Award, Mayo Clinic, 2013
 OHSU Faculty Senate Award for Outstanding Research accomplishments, 2018

Professional Appointments:

1971	Seminar Instructor, Honors College, Ohio University
1972 - 1973	Research Assistant, Department of Anthropology, University of New Mexico
1975 - 1976	
1978 - 1980	COSTEP Officer, U.S. Public Health Service, National Institutes of Health
1983 - 1986	Medical Epidemiologist, Centers for Disease Control
1983 - 1986	Clinical Adjunct Professor, Department of Pediatrics, Emory University
1984 - 1986	Attending Physician, Emergency Department, Medical Center of Central Georgia (Mercer Medical School)
1985 - 1986	Seminar Instructor, Department of Community Health, Emory University
1986 - 1992	Assistant Professor, Department of Medicine, University of New Mexico School of Medicine
1986 - 1992	Assistant Professor, Department of Family, Community, and Emergency Medicine, University of New Mexico School of Medicine
1986-1995	UNM Cancer Research and Treatment Center staff member
1986 - 1995	Adjunct Assistant Professor, Department of Anthropology, University of New Mexico
1992 - 1995	Associate Professor, Department of Medicine, University of New Mexico School of Medicine
1992 - 1995	Associate Professor, Department of Family, Community, and Emergency Medicine, University of New Mexico School of Medicine
1994	Visiting Faculty Member, Fred Hutchinson Cancer Research Center, Seattle, WA (sabbatical)
1995 -	Professor of Epidemiology, University of Washington School of Public Health and Community Medicine
1995 -2006	Affiliate Investigator, Fred Hutchinson Cancer Research Center
1995-2001	Research Professor, Department of Medicine, University of New Mexico School of Medicine
1997-present	Professor, Department of Public Health and Preventive Medicine, Oregon Health & Science University (Acting Chair, 4/00-6/03, Chair 7/03-)
1997-present	OHSU Knight Cancer Institute staff member
2000-	Consulting Medical Epidemiologist, Northwest Portland Area Indian Health Board
2001	Visiting Professor, St. George's Medical School, St. George, Grenada
2003-2008	Interim Director, Center for Biostatistics, Computing, and Informatics in Biology and Medicine, Oregon Health & Science University
2013-	Affiliate Professor, School of Community Health, College of Urban and Public Affairs, Portland State University
2015-2017	Interim Associate Dean for Research, OHSU-PSU School of Public Health

Professional Affiliations:

American Public Health Association
 American College of Preventive Medicine

Society for Applied Anthropology
 American Anthropological Association
 Society for Epidemiologic Research
 Association for Prevention Teaching and Research
 American Epidemiological Society
 Oregon Public Health Association
 Association for Clinical Research Training
 Western Society for Clinical Investigation
 American College of Epidemiology

National Committees - Participation:

1987, 1988	National Cancer Institute working group on cancer in American Indians
1987- 1989	American Cancer Society Subcommittee on Adult Education for Cancer Prevention in Minorities
1989, 1990	Indian Health Service Advisory Committee on Women's Health
1990 - 2006	National Cancer Institute Network for Cancer Control Research in American Indians/Alaska Natives (charter member)
2002-	SPIRIT scientific advisory committee (American Indian/Alaska Native national cohort study of chronic disease risk factors)
2007	Institute of Medicine reviewer for Committee on Training Physicians for Public Health Careers
2011-2016	External Advisory Committee chair, National Cancer Institute Community Network Program

Scientific Review Committees - Participation:

1990	Indian Health Service Scientific Review Committee for internal grant awards
1990 - 1994	National Institutes of Health, Epidemiology and Disease Control II, Ad Hoc member
1990 - 1995	Arizona Disease Control Commission
1991	National Institutes of Health, National Heart, Lung, Blood Institute, Strong Heart Study site visit, Washington, DC
1991	National Institutes of Health, National Cancer Institute, Program project site visit, Seattle, WA
1992	National Institutes of Health, National Cancer Institute, Program project site visit, Washington, DC
1992	National Institutes of Health, National Cancer Institute, Hispanic cancer control initiative: special grant review, Bethesda, MD
1993	National Institutes of Health, National Cancer Institute, Ovarian Cancer Initiative: special grant review, Rockville, MD
1994	National Institutes of Health, Nutrition, and Metabolic Studies, Nutrition Study Section: special emphasis panel, Washington, DC
1994 - 1998	National Institutes of Health, Epidemiology and Disease Control II, member
1995	State of California, Breast Cancer Research Program
1998, 99, 01, 02	California Cancer Research Program
2007	OHSU K-12 award competition, Clinical Translational Science Award
2010	Canadian Institute for Health Research, Network Environments for Aboriginal Health grant review, Chairman
2016, 17	BUILD EXITO pilot grant program
2017, 18	University of Montana Minority Health research grant, pilot grant program

Journal Reviewer:

Journal of Infectious Diseases

American Journal of Public Health
American Indian Culture and Research Journal
American Journal of Epidemiology
Circulation
Health Values
Human Biology
Epidemiology
Cancer
Tobacco Control
International Journal of Epidemiology
Annals of Epidemiology
Northwest Public Health
American Journal of Kidney Diseases
Progress In Community Health Partnerships
Cancer Causes and Control
Journal of Cancer Education

Graduate Student Committees and Fellows:

Lenora Olson, MA, PhD, Department of Anthropology, University of New Mexico
Lynne Fullerton, MA, PhD, Department of Anthropology, University of New Mexico
George McCue, MA, Department of Anthropology, University of New Mexico
William Hays, MD, PhD, Department of Biochemistry, University of New Mexico
V. Jane Kattapong, MD, MPH, Department of Neurology, University of New Mexico
Dorothy Rhoades, MD, MPH, Department of Epidemiology, University of Washington
Maureen Brown, MD, MPH, Department of Epidemiology, University of Washington (Chair)
Carol Metcalf, MD, Department of Epidemiology, University of Washington
Melissa Krone, MPH, Department of Epidemiology, University of Washington
Karen Rudolph-Pfau, MS, Department of Pathobiology, University of Washington
Richard Maclehorse, MPH, Department of Epidemiology, University of Washington (Chair)
June Bancroft, MPH, Oregon Health Sciences University
Phillip Marshall, MD, MPH, Oregon Health Sciences University
Mary Healy, MPH, Oregon Health Sciences University
Hong-Ha Truong, MS, PhD, Department of Pathobiology, University of Washington
Alexandra Fickenscher, MPH, Oregon Health Sciences University (Chair)
Michael Burm, MPH, Oregon Health Sciences University (Chair)
Annette Adams, MPH, Oregon Health Sciences University (Chair)
Alan Yeo, MD, MPH, Oregon Health Sciences University (Chair)
Atif Zaman, MD, MPH, Oregon Health Sciences University (Chair)
Asha Subramanian, MD, MPH, Oregon Health Sciences University (Chair)
Debby Holmes-Higgin, MPH, Oregon Health Sciences University
Stacey Urbach, MD, MPH, Oregon Health Sciences University (Chair)
Joshua Filner, MPH, Oregon Health Sciences University (Chair)
Susan Davids, MD, MPH, Oregon Health Sciences University (Chair)
Eve Espey, MD, MPH, University of Washington School of Public Health (Chair)
Steve Mansberger, MD, MPH, Oregon Health & Science University (Chair)
James Reiss, MD, MPH, Oregon Health & Science University (Chair)
Elizabeth Brown, MPH, Oregon Health & Science University (Chair)
Angelo DeMattos, MD, MPH, Oregon Health & Science University (Chair)
Neil Sun-Rhodes, MD, MPH, Oregon Health & Science University
James Oliver, MPH, Oregon Health & Science University (Chair)
Kapuaolaokalaniakea Gellert, MPH, DrPH, Oregon Health & Science University (Chair)
Daniel Rubado, MPH, Oregon Health & Science University (Chair)
Stephanie Craig, MPH, PhD, Portland State University
Fernando Camacho, MPH, Oregon Health & Science University
Paneen Petersen, MPH, Oregon Health & Science University (Chair)
Hiroko Watase, MD, MPH, Oregon Health & Science University

Austin Phillips, MPH candidate, Oregon Health & Science University
Annika Giesbrecht Maly, MDMPH candidate, Oregon Health & Science University (Chair)
Tessa Steel, MDMPH candidate, Oregon Health & Science University (Chair)

Additional graduate and post graduate advising:

Jessica Gregg, MD, PhD, Human Investigations Program, OHSU (K-12 award recipient)
Maria Elena Ruiz, RN, PhD, Human Investigations Program, OHSU
Annette Adams, MPH, PhD, Department of Internal Medicine, OHSU
Sharon Austin, MPH, Dept of Preventive Medicine, University of Utah Graduate Program in Public Health
Maxine Brings-Him-Back Janis, MPH, University of Northern Arizona Graduate Program in Dental Hygiene
Marilyn Kelley, MPH, University of Arkansas Graduate Program in Health Policy
DeAnn DeRoin, MD, Haskell Indian Clinic, Lawrence, Kansas
Russ McDonald, PhD, University of North Dakota, School of Medicine & Health Sciences, and Cankdeska
Cikana Community College
Rose James, PhD, University of Washington, Department of Medical Genetics
Donna LaVallie, DO, MPH, University of Washington Department of Family Medicine
Steve Mansberger, MD, MPH, OHSU and Devers Eye Clinic (K award recipient)
Jamie Kamilani Boyd, PhD, Windward College, Oahu, Hawaii
Kevin Redhawk Bitsie, MPH, University of Florida

Conferences and Symposia Planned:

1972 The American Indian: Cultural past and political future. Athens, Ohio
1983 Genital HPV Infections, Centers for Disease Control, Atlanta, Georgia
1989 Epidemiology and Anthropology. Society for Applied Anthropology, Santa Fe, New Mexico
1998 Infectious Causes of Chronic Diseases. Society for Epidemiologic Research meeting
2000-02 Epidemiology Forum, Oregon Health Sciences University (quarterly)
2000-14 Clinicians' Cancer Update, Northwest Portland Area Indian Health Board (annual seminar)
2005 Health Status of American Indians and Alaska Natives in the Northwest
2005 Oregon Public Health Association Epidemiology and Biostatistics Scientific Exchange, Salem, OR
2007 Community Based Participatory Research seminar series, Portland, Oregon
2011,14, Contemporary Northwest Tribal Health conference, Portland, Oregon
2018

University and Community Committees:

Research Advisory Committee, Department of Medicine, UNM
Clinical Research Center Scientific Advisory Board, UNM
Student Research Committee, UNM School of Medicine
RW Johnson/Generalist Initiative Population Task Force, UNM
Center for Health Promotion among American Indian Communities, Education and Training
Committee, Chairman, UNM
MPH Advisory Committee, Oregon Health Sciences University (Chairman)
Graduate Student Advisory Council, School of Medicine, Oregon Health Sciences University
Accreditation Review Committee, Oregon MPH Program
Oregon Tobacco Control Advisory Committee
Faculty Senate, Oregon Health & Science University
Faculty Council, Oregon Health & Science University
Principles of Clinical Medicine Steering Committee, Oregon Health & Science University
Educational Resources Committee, LCME Site Visit team, OHSU School of Medicine
'Imi Hale Native Hawaiian Cancer Awareness Research and Training Program, Scientific Advisor
Portland State University Center for Health and Social Inequality Research Center, Advisory Committee
Member
Education Committee Chair, Dean's Strategic Planning Conferences, OHSU School of Medicine
Northwest Tribal Comprehensive Cancer Control Program coalition member
Core Oversight Committee, OHSU

Principles of Clinical Medicine Advisory Committee, OHSU School of Medicine
 Oregon Clinical and Translational Research Institute, Research Academy member
 Oregon Clinical and Translational Research Institute, Teaching Academy member
 Graduate program review committee, PhD programs, OHSU
 Research Roadmap committee, OHSU
 External Advisory committee member, RMATRIX health disparities grant, University of Hawaii
 External Advisory committee member, Partnership for Native American Cancer Prevention, University of
 Arizona and Northern Arizona University
 External Advisory committee member, NIH NCI Community Cancer Prevention grant program (chair)
 Junior Faculty Career Development committee, OHSU
 OHSU/PSU Public Health Steering committee
 Chairman, Deans' Oversight Committee, Oregon MPH Program
 Search committee member, OHSU School of Nursing Dean search
 Diversity panel, OHSU Research Roadmap Steering committee
 School of Public Health Planning Committee, OHSU-PSU
 Executive Leadership Team member, OHSU-PSU School of Public Health Initiative
 Steering committee member, Consortium of Minority Serving Universities, translational research component
 Collaborative Research Leadership Group member, OHSU
 Search committee chairman, Oregon Institute for Occupational Health director position
 Search committee member, Founding Dean, OHSU-PSU School of Public Health
 Internal Advisory committee for competing grant submissions, OHSU
 BUILD-EXITO Leadership committee, Portland State University
 BUILD-EXITO Scholar Success Committee, Portland State University
 Native American Cancer Prevention external advisory committee member, U of Arizona
 Academic Personnel Committee, OHSU-PSU School of Public Health
 Research Committee, OHSU-PSU School of Public Health

Hospital Affiliations:

1983-86	Grady Memorial Hospital, Atlanta, Georgia
1984-86	Medical Center of Central Georgia, Macon, Georgia
1986 -97	University of New Mexico Hospital, Albuquerque, New Mexico
1987 -97	Albuquerque Indian Health Service Hospital, Albuquerque, New Mexico
1995 -97	Gallup Indian Medical Center, Gallup, New Mexico

Medical License:

1981 - 1983	Washington State (inactive)
1983 - 1987	Georgia (inactive)
1986 - 1997	New Mexico #86-172 (inactive)

CPR Certification:

CPR certificate (ACLS Instructor) 6/87

Field Experience:

1972 - 1976	Archaeologic field trips in southwestern U.S.
1980	Alaska inland waterway medical field trips with U.S. Public Health Service physicians, based in Sitka, AK
1981	University of Arizona, Department of Cardiology. Navajo-Hopi follow-up studies in patients with post-streptococcal valvular disease
1983	Chancroid epidemic aid investigation, South Florida
1984	Navajo Reservation - Prevalence of herpes virus infections in Navajo children
1985	Plague investigations, New Mexico
1985	Salmonella outbreak investigations, New Mexico
1985	PCB exposures among firemen, New Mexico

2000 Data needs assessment for Baku Public Health District 11, Baku, Azerbaijan
2006 Training needs assessment for Brain Trauma Research Unit, School of Medicine,
University of Rosario, Rosario, Argentina

Languages:

French
Spanish

Personal and Miscellaneous:

USPTA Tennis professional, 1973-77

Hobbies: racket sports, hiking, woodworking and furniture design, collecting American Indian art

Member, Medical Board of Advisors, Outdoor Research (OR) Corp., Seattle, WA, 1994-2010

Grants/Contracts:

- Indian Health Service. Contract. Epidemiology of cervical cancer in New Mexico. \$25,000 (total costs). September 1987 - August 1988. (P.I.)
- Indian Health Service. Contract. Natural history of cervical HPV infection. \$300,000 (total costs). April 1988 - March 1991. (P.I.)
- Flinn Foundation. Grant. Mortality trends in New Mexico. \$89,000 (total costs). March 1987 - February 1989. (P.I.)
- National Cancer Institute. Grant (FIRST Award). Epidemiology of cervical dysplasia in minority women. \$350,000 (direct costs). February 1989 - January 1993. (P.I.)
- Pew Rockefeller Foundation. Grant. Social Medicine Project, University of New Mexico. \$1.2 million (direct costs). April 1988 - March 1993. (Co-investigator)
- American Cancer Society. Grant. Cancer control among American Indians: Pilot project. \$78,000 (total costs). June 1, 1989 - May 31, 1990. (Co-investigator)
- Pew Rockefeller Foundation. Grant. Gunshot injury prevention among New Mexican children. \$15,000 (total costs). July 1, 1990 - June 30, 1991. (P.I.)
- Centers for Disease Control. Grant. Cervical and breast cancer screening in New Mexico. \$2.2 million (direct costs). October 1, 1991 - September 30, 1995. (Co-investigator)
- National Cancer Institute. Grant. Epidemiology of cervical dysplasia in American Indian women. \$1.4 million (direct costs). August 1, 1994 - July 31, 1998. (P.I.)
- National Cancer Institute. Grant. Native Women's Cancer Initiative - Training Program. \$1.1 million (direct costs). August 15, 1994 - July 15, 1998. (P.I.)
- Alaska Science and Technology Foundation. Grant. Epidemiology of cervical dysplasia in Alaska Native women. \$19,200 (direct costs). Project dates November 1, 1995 - June 1, 1997. (Co-investigator)
- National Cancer Institute. Grant. Natural history studies of HPV infection. \$1.3 million (direct costs). July 1, 1989 - June 30, 1995. (Co-investigator)
- National Institutes of Health. National Research Service Award. \$60,000 (direct costs). November 1993 - October 1995. (Fellowship Sponsor)
- Research Allocations Committee, University of New Mexico School of Medicine. Grant. Stroke risk factors among Hispanics and non-Hispanic whites. \$17,000 (total costs). July 1, 1995 - June 30, 1996. (Co-investigator)
- National Cancer Institute. Grant. Natural history studies of HPV infection (continuation). \$1.9 million (direct costs). August 1995 - July 2000. (Co-investigator)
- National Cancer Institute. Contract. Birth outcomes following diagnosis of cervical cancer. \$64,000 (direct costs). September 15, 1996-August 31, 1997. (P.I.)
- National Cancer Institute. R01 Grant. Native Researchers' Cancer Control Training Program. \$1,083,000 (direct costs). June 1, 1995 - May 31, 1999 (P.I.)
- Centers for Disease Control and Prevention. Grant. Northwest Tribal Comprehensive Cancer Control

Program. \$2,200,000 (direct costs). September 1, 1999- August 31, 2012 (third funding cycle currently active). (Co-investigator; Kerri Lopez, P.I.).

National Cancer Institute. Grant. Capacity building for Native Researchers. \$644,300 (direct costs). January, 2000-December 2004. (P.I.)

National Cancer Institute. Subcontract to Mayo Clinic. Cancer control training for Native researchers— outreach. \$451,000 (direct costs). May 2000-April 2004. (P.I. of subcontract to OHSU)

National Institutes of Health and Indian Health Service. Grant. Native American Research Centers for Health (NARCH 1). \$2,998,000 (direct costs). September 2001-August 2004. (Project Director and P.I. of subcontract to OHSU)

National Institutes of Health. Grant. Human Investigations Program (K-30 award). \$1,000,000 (direct costs). October 1, 2000-September 30, 2005. (Co-investigator and Co-Director; C. Morris, P.I.).

Indian Health Service. Contract. Summer Research Institute for American Indian and Alaska Native Health Professionals. \$520,000 (direct costs). September 1, 2003-September 14, 2006 (P.I.).

Centers for Disease Control and Prevention. Grant. Center for Healthy Native Communities. Prevention Research Center Program. \$4,500,000 (direct costs). September 30, 2004-September 29, 2009 (P.I.).

National Cancer Institute. Grant. Cancer Control: Capacity building for Native Researchers. \$1,592,026 (direct costs). September 1, 2004-August 31, 2009 (P.I.)

National Institutes of Health. Grant. Human Investigations Program (K-30 award). \$1,250,000 (direct costs). October 2005-Sept 2010 (Co-investigator and Co-Director; C. Morris, P.I.)

Indian Health Service. Contract. Diabetes Summer Institute. \$37,500 (direct costs). March 2005- Sept 2005 (P.I.)

National Cancer Institute. Subcontract to Mayo Clinic. Community Networks to Reduce Cancer Health Disparities \$531,545 (direct costs) April 2005-March 2010. (P.I. of subcontract to OHSU)

National Cancer Institute. Contract. Data linkages to improve cancer surveillance among Northwest American Indians and Alaska Natives. \$440,000 (direct costs) June 1, 1999-May 31, 2010. (P.I.)

National Institutes of Health and Indian Health Service. Grant. Native American Research Centers for Health. (NARCH 3). \$3,158,600 (direct costs). September 1, 2005-August 31, 2009. (P.I.)

National Institutes of Health and Indian Health Service. Grant. Native American Research Centers for Health. (NARCH 4). \$2,362,646 (direct costs). September 15, 2006-September 14, 2008. (P.I.)

National Institutes of Health and Indian Health Service. Grant. Native American Research Centers for Health. (NARCH 5). \$3,875,394 (total costs). June 1, 2009-May 31, 2013. (P.I.)

National Institutes of Health and Indian Health Service. Supplemental grant for HIV prevention in NW tribes. Native American Research Centers for Health. (NARCH 5). \$840,000 (total costs). September 1, 2010-August 31, 2013. (P.I.; Project Director Stephanie Craig)

National Institutes of Health. Grant. NW Tribal Center of Excellence (P60). \$4,749,985 (direct costs). (P.I.) Scored, not funded.

Centers for Disease Control and Prevention. Grant (competing renewal). Center for Healthy Communities (U48). \$4,028,644 (direct costs). September 30, 2009-September 29, 2014. (P.I.)

National Institutes of Health. Grant. Enhancing NW American Indian health: NW Native American Research Centers for Health (NARCH 6). \$1,900,000 (total costs). September 1, 2011-August 31, 2013. (P.I.)

Centers for Disease Control and Prevention. ARRA Grant. Use of telemedicine for monitoring diabetic retinopathy in American Indians. \$2,003,000 (total costs). September 15, 2010-September 14, 2012. (P.I.; co-P.I. Steve Mansberger, MD)

National Institutes of Health. Grant. Advancing health of NW American Indians and Alaska Natives: NW Native American Research Centers for Health (NARCH 7). \$7,104,000 (total costs). July 1, 2013-June 30, 2018. (P.I.).

Association of American Medical Colleges. Grant. Portland health equity workforce alliance. \$84,000 (total costs of subcontract to Portland State University; P.I. of subcontract). November 1, 2012-October 31, 2015. Scored, not funded.

National Institutes of Health. Grant. We R healthy native women. \$1,013,000 (total costs). January 1, 2013-December 31, 2016. (co-investigator; William Lambert, P.I.). Scored, not funded.

National Institutes of Health. Grant. Addressing health priorities of NW American Indians and Alaska Native youth: NW Native American Research Centers for Health (NARCH 8). \$2,300,000 (total costs). July 1, 2014-June 30, 2019. (P.I.).

Centers for Disease Control and Prevention. Grant (competing renewal). Center for Healthy Communities (U48). \$4,028,644 (direct costs). September 30, 2014-September 29, 2019. (P.I.). This grant has also been awarded three Special Interest Project grants as sub-awards to the main grant.

National Institutes of Health. Grant. BUILD EXITO training grant. \$24,500,000 (total costs). September 26, 2014-June 30, 2019. (Co-I., P.I. Carlos Crespo)

National Institutes of Health. Grant. Promoting American Indian and Alaska Native health: NW NARCH program (NARCH 9). \$1,800,000 (total costs). April 1, 2017-March 31, 2021. (P.I.).

National Institutes of Health. Grant. Empowering American Indian and Alaska Native health researchers: NW NARCH program (NARCH 10). \$5,480,000 (total costs). (Two of four components funded). Sept 1, 2017-August 31, 2021. (P.I.).

Courses Taught:

Disease Ecology and Epidemiology, Department of Anthropology, University of New Mexico
 Clinical Epidemiology, School of Medicine, University of New Mexico (co-instructor)
 Community Oriented Primary Care, School of Medicine, University of New Mexico (lecturer)
 Epidemiologic Methods, MPH Program, School of Medicine, University of New Mexico (lecturer)
 Seminar in Research Methods for Medical Student Projects, School of Medicine, University of New Mexico (course director)

Native Researchers' Cancer Control Training Course, School of Medicine, University of New Mexico, University of Washington, OHSU (course director)

Epidemiology Seminar Series, School of Medicine, University of New Mexico (seminar series director)

Human Biology 530: Epidemiology, University of Washington School of Medicine (course chairman, first year medical student course)

Epidemiology 520: Infectious Disease Epidemiology, University of Washington School of Public Health and Community Medicine

Epidemiology 511: Introduction to Epidemiology, University of Washington School of Public Health and Community Medicine (lecturer)

Epidemiology 527: Practical Aspects of Grant Management, University of Washington School of Public Health and Community Medicine (lecturer)

Public Health 511 for MD/MPH students: Introduction to Epidemiology, Oregon Health Sciences University, Combined Degree Program
 Public Health 512: Epidemiology Methods (2), Oregon Health Sciences University, OMPH Program
 Public Health 517: Research Design, Oregon Health Sciences University, OMPH Program (co-instructor)
 Principles of Clinical Medicine, Seminar leader, Oregon Health Sciences University School of Medicine
 Public Health 546: Infectious Disease Epidemiology, Oregon Health Sciences University, OMPH Program
 Public Health 657: Chronic Disease Epidemiology, St. George's Medical School, St. George, Grenada (co-Instructor and visiting professor)
 Clinical Research Design, Human Investigations Program, Oregon Health & Science University
 Grant Development Seminar, Human Investigations Program, Oregon Health & Science University
 Scientific Manuscript Writing, Papa Ola Lokahi Cancer Research Seminar, Honolulu, HI
 Advanced Topics in Clinical Research, Human Investigations Program, Oregon Health & Science University
 Epidemiology Methods, Summer Research Training Institute for American Indian and Alaska Native Health Professionals, Oregon Health & Science University
 Research Design and Grant Development, Summer Research Training Institute for American Indian and Alaska Native Health Professionals, Oregon Health & Science University
 Public Health 546: American Indian and Alaska Native Health, Oregon Health & Science University, OMPH Program (with Dr. William Lambert)
 Teaching Problem Based Learning Methods to Junior Faculty, Oregon Health & Science University, Education Leadership Institute Program (with Pat Kenney-Moore)
 Writing Federal Grant Applications, Portland Area Indian Health Service
 Public Health 576: Chronic Disease Epidemiology, Oregon Health & Science University, OMPH
 Tribal cancer prevention and control research methods, Summer Research Training Institute for American Indian and Alaska Native Health Professionals, NPAIHB, Portland, Oregon

Clinical Activities:

1983 - 1986	Outpatient/emergency attending physician, Medical Center of Central Georgia
1983 - 1986	DeKalb County (GA) STD clinic attending physician
1986 - 1995	Internal medicine clinic attending, University of New Mexico Hospital
1987 - 1995	Inpatient attending physician, Internal Medicine, University of New Mexico Hospital
1990 - 1993	Multi-disciplinary Clinic attending physician, University of New Mexico Hospital

Lectures by Invitation:

1. Genital herpes Infections. Virginia State Health Department, Williamsburg, VA, October, 1983.
2. Sexually Transmitted Diseases. Pediatric practice, Grady Hospital, Atlanta, GA, March, 1984.
3. Genital Herpes - Medical Aspects. In "Symposium on Psycho-Social Aspects of Genital herpes Infections", Southeast Psychological Association, New Orleans, LA, March, 1984.
4. Genital Herpes Infections - An Overview. Department of OB-GYN, Memorial Medical Center, Savannah, GA, April, 1984.
5. Genital Herpes - Psycho-Social Aspects of Infection. In "Symposium on Psycho-Social Aspects of Genital Herpes Infections," Southeast Psychological Association, New Orleans, March, 1984.
6. The Evolution of Human Capacity for Culture. Department of Anthropology and Sociology, DeKalb Community College, GA, April, 1984.
7. Genital HPV Infections - Update. Florida Nurse Practitioners Update - OB/GYN. Clearwater, FL, June, 1984.
8. Are genital HPV infections on the increase? HPV Conference, Chicago, IL, October, 1984.
9. Viral STD's. OB/GYN grand rounds, Good Samaritan Hospital, Phoenix, AZ, October 1984.
10. Non-gonococcal PID. Department OB/GYN, Maricopa County Hospital, Phoenix, AZ, October, 1984.
