

OFFICE WORKPLACE CHECKLIST

Ensure your department is able to provide reasonable safety to everyone in the office environment. HSC Department Administrators/Managers/Supervisors must complete the checklist weekly.

OFFICE PREPAREDNESS

- Hand sanitizer is available and accessible
- Schedule for each employee has been communicated and acknowledged
- Approved [Remote Work/Telecommuting](#) agreements are signed and submitted
- Appropriate** disposable/medical grade or better face masks are available for employees, students, visitors and vendors as needed; N95 masks are required for those working or learning in clinical areas
- Necessary cleaning supplies are available and accessible (paper towels, disinfectant, hand soap)
- Signage posted about wearing face masks, personal hygiene, and maintaining a clean environment
- Eating in classrooms, hallways, or any other indoor group setting is prohibited

Vaccination Status FAQ

Department Administrators/Managers/Supervisors **can**:

- remind staff of booster requirements, and on-going testing requirements for those with vaccine exemptions, including possible action taken for continued noncompliance
- follow up with staff who have been noted as noncompliant

Positive Symptom Response FAQ

Department Administrators/Managers/Supervisors **can**:

- encourage staff to stay home when ill.
- encourage staff to apply for the COVID-19 Paid Leave if individual is unable to telecommute.
- request staff member to check-in each subsequent day that they will be out so arrangements can be made to meet business needs.

Department Administrators/Managers/Supervisors **cannot**:

- ask the employee whether or not they contacted their primary care provider.
- question the employee regarding their health status related to their positive response.
