

Robert G. Frank, Ph.D.

Business Address: Center for Innovation in
Health and Education
2400 Tucker Ave NE
MSC09-001
University of New Mexico
Albuquerque, NM 87131-
0001

Cell: (505) 441-8015

Electronic Mail: rgfrank@unm.edu

Citizenship: United States

Family: Married, two children

PROFESSIONAL BACKGROUND & PRIMARY ACCOMPLISHMENTS

June 2017- present:

Director, Center for Innovation in Health and Education
Professor, Department of Family and Community Medicine
Professor, Department of Psychology

June 2012-June 2017:

President, The University of New Mexico, Albuquerque, New Mexico

- \$2.9 Billion budget; Flagship University serving all of New Mexico.
- Established program to improve student success including student retention and graduation. Retention has improved 5% and graduation by 2%.
- Economic development by partnering with the City of Albuquerque and County of Bernalillo and business

communities to create Innovate ABQ, a research district.

- Rebuilt the foundation and development effort at UNM with new focus upon developing goals across the organization.
- Established the Honors College, College of Population Health

July 2007- 2012:

Kent State University, Kent, Ohio

Provost and Senior Vice President for Academic Affairs, Interim Dean, College of Public Health (2009-2010), and Professor, College of Public Health and Department of Psychology

- Revised promotion and tenure rules.
- Increased retention by more than 6%.
- Reorganized graduate education.
- Developed and implemented a comprehensive student graduation planning and tracking system.
- Established a new College of Public Health with a BSPH, an MPH, and three doctoral degrees.
- Improved the quality of incoming first-year class.
- Revised business practices in Academic Affairs with improved financial statements and forecasting processes.
- Implemented Responsibility Centered Management (RCM) for budgeting within Academic Affairs.
- Revised the university system to better embrace and operate regional campuses.
- Developed a math emporium for all developmental and first-year math students.
- Responsible for \$375 million division budget.

1995-2007:

University of Florida, Gainesville, Florida

Dean and Professor of Clinical and Health Psychology, College of Public Health and Health Professions

- Established the College of Public Health, now CEPH accredited and ranked 25th among colleges of public health.
- Increased research funding from \$1.2 million to \$16 million

- Established new doctorates in epidemiology, health services research, rehabilitative science, physical therapy (D.PT), audiology (Au.D.), and biostatistics
- Increased student enrollment five-fold.
- Responsible for \$40 million college budget.
- Created a development program for the college.

2000-2007:

**Florida Center for Medicaid and the Uninsured,
Director (while serving as Dean)**

- Established Center in 2000
- Negotiated relationships with the Agency for Health Care Administration
- Renewed more than \$3.5 million in grants and contracts to study Medicaid and access to health care

1995-1999:

**Shands HealthCare System, 1995-1999
(while serving as dean)**

Vice President for Rehabilitation and Behavioral Health,

- System designed to create integration across all health delivery systems at Shands.
- The entire system was dismantled in 1999.

**1979-1995:
1991-1995:**

University of Missouri-Columbia, 1979-1995

Professor of Physical Medicine and Rehabilitation, School of Medicine, Adjunct Professor, Department of Psychology. (Assistant Professor 1979-1986, Associate Professor 1986-1991)

1992-1995:

Assistant to the Dean for Health Policy, School of Medicine. Coordinated federal and state health policy for the School of Medicine

- Directed Missouri's health reform effort as Chair, ShowMe Health Reform Initiative, Department of Health, 1993-1994

1986-1995:

- Vice Chair, Department of Physical Medicine and Rehabilitation

- Director, Division of Clinical Health Psychology and Neuropsychology, Department of Physical Medicine and Rehabilitation. Established Division that included eight tenure-track faculty, Ph.D. students, interns and post-docs. Now the Department of Health Psychology.

1991-1992:

Robert Wood Johnson Health Policy Fellow, Institute of Medicine, National Academy of Sciences, Washington, DC. Fellow in the office of Senator Jeff Bingaman, 1991-1995

1983-1995:

Clinical Appointment: Consulting and Clinical Appointment, Harry S. Truman Veteran's Administration Hospital

- Interim Chair, Department of Physical Medicine and Rehabilitation
- Responsible for direction and management of the Department of Physical Medicine and Rehabilitation at Rusk Rehabilitation Center, a 40-bed, full service, free-standing rehabilitation hospital.
- The Chair oversees functioning of the Center as well as the Department of Physical Medicine and Rehabilitation

1986-1991:

Clinical Director, Brain Injury Rehabilitation Program

- Directed six clinical staff and clinical care for eight patients in this day-treatment rehabilitation program

1979-1986:

Clinical Director, Chronic Pain Treatment Program, 1979-1986

EDUCATION

High School:

Mayfield High School, Las Cruces, NM

College:	University of New Mexico, B.S., Magna Cum Laude
Graduate School:	University of New Mexico, M.A., University of New Mexico, Ph.D., Clinical Psychology (APA approved)
Psychology Internship:	Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle, Washington
Licensure:	Florida (Clinical Psychology)
Board Certification:	Diplomat in Clinical Psychology, American Board of Professional Psychology

HONORS AND AWARDS

- NAIOP (Commercial Real Estate Association) 2017 Cleve Mathews Vision Award for ABQ Innovation Ecosystem
- Beatrice Wright and Tamara Dembo Award Lecture in Rehabilitation Psychology, San Diego, California.
- Founders award, College of Public Health, Kent State Community.
- Appointed by the United States Department of Defense to the Defense Health Board, a federal advisory committee to the Secretary of Defense
- Lifetime Achievement Award, Division of Rehabilitation Psychology, American Psychological Association
- Recognized with the creation of the Robert G. Frank Professorship, University of Florida College of Public

Health and Health Professions, awarded to the dean of the college

- Ivan Mersh Award Distinguished Teaching, Association of Psychologists in Academic Health Centers (for distinguished achievement in teaching)
- President's Medallion for Service, University of Florida
- Gutekunst Award for Leadership, College of Public Health and Health Professions, University of Florida
- American Psychological Association Distinguished Service Award, Division 22, Rehabilitation Psychology
- 46th Annual John Stanley Coulter Lecture, American Congress of Rehabilitation Medicine
- Fellow, American Psychological Association: Rehabilitation Psychology, Division 22, ; Health Psychology, Division 38, ; Society of Clinical Psychology, Division 12
- Presidential Citation for Federal Advocacy, American Psychological Association
- Karl F. Heiser Award for Advocacy, American Psychological Association
- Missouri Head Injury Advisory Council Leadership Award
- Essie Morgan Excellence Award (for outstanding achievements in the field of spinal cord injury), American Association of Spinal Cord Injury Psychologists and Social Workers
- Roger S. Barker Research Award, awarded by Division 22, Rehabilitation Psychology, American Psychological Association (for excellence in research)

- NIMH Trainee
- B. Hought Scholarship (academic scholarship)
- Division I All-American Swimming Team

PROFESSIONAL ORGANIZATIONS

- AcademyHealth
- American Congress of Physical Medicine and Rehabilitation
- American Psychological Association, Division 38, Health Psychology; Division 12, Clinical Psychology; Division 22, Rehabilitation Psychology

GRANTS AND CONTRACTS

1. Principal Investigator: Evaluation of Florida Medicaid Programs for Fiscal Year 2006. Funded by the Florida Agency for HealthCare Administration, \$1,100,000.
2. Principal Investigator: Evaluation of Florida Medicaid Programs for Fiscal Year 2005. Funded by the Florida Agency for HealthCare Administration, \$671,321.
3. Adequacy of Treatment for Anxiety Disorders in Medicaid. Funded by the National Institute of Mental Health, \$28,327. Faculty Sponsor.
4. Principal Investigator: Evaluation of Florida Medicaid Programs for Fiscal Year 2004. Funded by the Florida Agency for HealthCare Administration, \$440,997.
5. Principal Investigator: Evaluation of Bristol-Myers Squibb-sponsored Disease Management Programs for Florida Medicaid Populations, 2004. Funded by the Florida Agency for HealthCare Administration, \$697,573.

6. Principal Investigator: Evaluation of Bristol-Myers Squibb-sponsored Disease Management Programs for Florida Medicaid Populations, 2003 Funded by the Florida Agency for Health Care Administration, \$576,944.
7. Principal Investigator: Evaluation of Federal Medicaid Programs for Fiscal Year 2003. Funded by the Florida Agency for HealthCare Administration, \$435,080.
8. Co-Principal Investigator: Managed Care Systems for Individuals with Disabilities. Funded by Medicaid Working Group to Missouri Medicaid.
9. Principal Investigator: The ShowMe Health Reform Initiative: Phase II. Robert Wood Johnson Foundation, \$297,000.
10. Co-Principal Investigator: Early Interventions to Prevent Disability Among Children with Juvenile Rheumatoid Arthritis. Missouri Arthritis Rehabilitation Research and Training Center, National Institute of Disability Rehabilitation Research, \$430,000.
11. Co-Principal Investigator: Research Enrichment Programs for Physiatrists: A Demonstration Project. Funded by the U.S. Department of Education – Office of Special Education and Rehabilitative Services, \$555,248.
12. Co-Principal Investigator: Long-Term Training Grant – Rehabilitation Psychology. Funded by the U.S. Department of Education – Office of Special Education and Rehabilitative Services. Award first year: \$73,995. Award second year: \$73,998.
13. Principal Co-Investigator: Missouri Arthritis Rehabilitation Research Center, a Research and Training Center funded by the National Institute of Disability and Rehabilitation research, \$3,300,000. Responsible for administration of five research projects and education programs.

14. Co-Investigator: Neuro-Spect Imaging and Traumatic Brain Injury. Funded by Mallinckrodt Medical, Inc., St. Louis, Missouri \$49,500.
15. Principal Investigator: Long Term Training Grant in Rehabilitation Medicine. Funded by the U.S. Department of Education – Office of Special Education and Rehabilitative Services, \$300,000.
16. Principal Investigator: Psychological Effects of JRA. Funded by the National Institute of Disability, Rehabilitation Research, \$385,000.
17. Principal Investigator: The Effect of Alprazolam on Rheumatoid Arthritis Disease Activity, Pain, and Mood. Funded by Upjohn Pharmaceutical Company, \$10,000.
18. Principal Investigator: Long-Term Training Grant in Rehabilitation Medicine. Funded by the U.S. Department of Special Education and Rehabilitative Services, \$300,000.
19. Principal Investigator: Pain, Depression and Anti-Depressive Therapy in Arthritis. Funded by the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases, \$116,000.

EDITORIAL DUTIES

- Editorial Board, PsycCRITIQUES
- Editorial Board, Rehabilitation Psychology.
- Editorial Board, NeuroRehabilitation.
- Consulting Editor, Journal of Clinical Psychology in Medical Settings
- Editorial Board, Associate Member (Congress), Archives of Physical Medicine and Rehabilitation

- Consulting Editor, Journal of Occupational Psychology.
- Consulting Editor, Professional Psychology: Research and Practice.
- Contributing Editor, Year of Rehabilitation.
- Guest Editor, NeuroRehabilitation, Spinal Cord Injury, Volume 4.

JOURNAL REFEREE

Ad Hoc Reviewer:

European Journal of Pain

Neurosurgery

Health Service Research Journal

Journal of Social and Clinical Psychology

Journal of Consulting and Clinical Psychology

International Journal of Psychiatry in Medicine

EXTRAMURAL SERVICE

Grant Reviewer:

Ad Hoc reviewer, Injury Epidemiology Control Division, Center for Environmental Health and Injury

Control, Centers for Disease Control, Department of Health and Human Services.

Ad Hoc reviewer, Veteran's Administration Merit Review Peer Reviewer, National Institute of Disability Rehabilitation Research, Department of Education.

Ad Hoc reviewer, National Institute of Alcohol Abuse and Alcoholism.

Multipurpose Arthritis Center (MAC) site reviewer for NIH, NIAMDD.

Ad Hoc reviewer, La Fondation Ontarienne De La Sante Mentale, Toronto, Ontario, Canada.

Other Activities:

Publications and Communications Board, American Psychological Association.

Vice Chair, Legislative Committee, American Congress of Rehabilitation Medicine.
Chair.

Member, Florida Developmental Disabilities Council (Gubernatorial appointment: term). Council Chair; HealthCare Task Force Chair; Human Resources Committee Chair

Secretary/Treasurer and Member of the Board of Directors, Oak Hammock, University of Florida.

Board of Educational Affairs, American Psychological Association.
Chair.

Chair, American Psychological Association Continuing Education Committee.

Member, Executive Directors, Division 22 Rehabilitation Psychology, American Psychological Association.

Chair, American Psychological Association CAPP
Task Force on Primary Care.

Chair, Fellows Committee, Division 22, Rehabilitation
Psychology, American Psychological Association.

President, Division 22, Rehabilitation Psychology,
American Psychological Association.

Missouri State Committee of Psychologists
(Appointed by the Governor).

Missouri Governor's Council on Head Injury
(Appointed by the Governor), 1985-1987. In 1987, this
committee became the Head Injury Advisory Council.

Site reviewer, American Psychological Association.

Program reviewer, Commission on Accreditation of
Rehabilitation Facilities.

Consultant, Pacific Basin Rehabilitation Research and
Training Program, The Rehabilitation Hospital of the
Pacific, Honolulu, Hawaii.

Member, American Psychological Association
Taskforce on Health Psychology.
