Need clinical experience?

New Mexico Clinical Education Program (ClinEd)
June 3–July 12, 2024

The ClinEd Experience
• Gain clinical experience working with rural or underserved populations
• Learn how to identify and assess social determinants of health and health disparities in communities
• Be more familiar with community-based research and community engagement practices and techniques
• Be more confident in your readiness to apply to your program
• Increase awareness of the urgent need for healthcare providers in our state.

Activities may include:
• Clinical shadowing in rural and/or underserved areas in NM. (dependent on COVID-19 restrictions)
• Exposure to telehealth models of care
• Research experience and community project development
• Session on Cultural Humility
• Enhance clinical skills

Eligibility
• Must be a New Mexico resident, or Navajo Nation resident (for payment purposes only)
• Be currently enrolled as a junior, senior, or college graduate (Nursing Students: Rising sophomores are eligible)
• Have a 2.75 GPA or higher

Stipend upon completion of the program
