

Need help preparing for the DAT, GRE, or MCAT?

Test Prep Program

June – Mid July – Dates Vary by exam prep

The Test Prep Experience

- Strengthen test-taking skills
- Understand the application process
- Become a more competitive applicant
- Increase your awareness of the urgent need for diverse healthcare in our state

Activities may include:

- Comprehensive preparation in an interactive virtual group setting
- Online access to resources and supplemental instruction
- Proctored practice full length exams with performance analysis
- Mock interviews
- Networking opportunities with faculty and students
- Sessions on cultural humility

Eligibility

- Must be a New Mexico resident, or Navajo Nation resident with a valid SSN or ITIN (for payment purposes only)
- Be currently enrolled as a junior, senior, or college graduate
- Have a 2.75 GPA or higher
- Check out the course requirements for each exam on our website

Stipend upon completion of the program

Application Opens

Early February

Program Begins
June 2024
