## Film Viewing: Transgender Health Second Opinion with Joan Lunden

---

**Wednesday, June 4**  
**4:00 p.m. - 5:00 p.m. MST**  
**In-Person Location: DCNW 3706**

**Drop in anytime for as long  
(or as little) as you'd like!**

While many media outlets sensationalize and politicize issues surrounding transgender youth, this program looks at the issue from a truly medical perspective. Along with medical experts who specialize in working with families, Jennifer and Josselynn Surridge describe what it is like to come to terms with being a transgender person, and with being a mother of a transgender child. This story will help every viewer understand the issue in a way that is rarely explored elsewhere.
