COMMUNITIES to CAREERS

Interested in health care?

NM Workforce Diversity Center Of Excellence

Undergrad Student Scholars (USS)

The Scholars Experience

- Inter-professional educational activities designed to meet academic and social strengths and needs specific to each Scholar cohort.
- Academic enrichment in cultural humility, identity formation/promotion/expression.
- Training in CPR/First Aid, mental and behavioral health, and inclusive learning environments.
- Health research project experience and introduction.
- One-on-one mentorship and peer to peer mentorship.
- Community engagement and service learning.
- Clinical shadowing opportunities
- Peer Learning Facilitator opportunities
- Test Preparation (MCTA, GRE, DAT) opportunities.

Eligibility

- Must express interest in a health profession
- Enrolled in an undergraduate degree or certificate granting program.

Stipend up to $1,000 upon completion of the program.

Application Open:
April 6, 2026
Program Begins:
Fall 2026
