Anna Meyer, PharmD is the Clinical Pharmacy Coordinator for the Avera Long-Term Care Pharmacy and has been a consultant pharmacist for over 5 years. In her role she is responsible for developing clinical and educational initiatives designed to optimize drug therapy in the elderly in both the nursing home and assisted living settings. Some of her accomplishments include initiating an antibiotic stewardship program, providing education on the mega rule federal regulations for long term care facilities, and most recently operationalizing a bamlanivimab infusion program for the long-term care pharmacy and long-term care facilities. Anna is an active member of the Statewide Antibiotic Stewardship Collaborative in South Dakota and Minnesota and also serves as a preceptor with the South Dakota State University (SDSU) College of Pharmacy and as adjunct associate professor in the Department of Pharmacy Practice in the College of Pharmacy and Allied Health Professions. A graduate of SDSU, Anna lives in Sioux Falls, SD with her husband and 2 year old twins.
