Patients receive monitoring questions at:

- **1 day pre infusion**
 - When did your symptoms begin? How would you describe your symptoms?
- **1 day post**
 - How are you feeling? Would you like to speak to an RN?
- **7 days post**
 - How are you feeling? Would you like to speak to an RN? *(This is where I recommend maybe placing a virtual care link instead of RN.)*
- **8 days post**
 - customer experience questions
- **26 days post**
 - How are you feeling? Have you needed to be hospitalized? Would you like to speak to an RN?
