Behavioral Health and Addiction (BHA) TeleECHO™ Program

Supporting Treatment of Substance Use Disorders and Mental Disorders in Primary Care

Join us every Friday! 12:00 PM – 2:00 PM (MT)

June 2019 – December 2019

Depression topics (8-week cohorts)

OUR CAUSE:

Many primary care providers (PCPs) in rural and underserved areas have patients with substance use disorders, psychiatric illnesses, and associated co-morbidities, and find it difficult to access adequate treatment resources.

TARGET AUDIENCE:

Physicians, Advanced Practice Providers, Pharmacists, RNs, Medical Assistants, and other healthcare professionals

OUR PURPOSE:

With the use of the ECHO model™, the Behavioral Health and Addiction (BHA) TeleECHO Program supports and mentors PCPs in best practices in the treatment of behavioral health conditions in their own setting.

HOW TO PARTICIPATE:

- ❖ Join us using videoconferencing software, Zoom
- ❖ Participate in brief interactive lectures
- ❖ Present patient cases during session
- ❖ Engage in interactive discussions
- ❖ Complete periodic surveys evaluating practice style, knowledge, and self-efficacy related to treating depressive disorders
- ❖ Earn no-cost to you CME/CPE/CEU credits

HOW TO REGISTER:

- ❖ Email your name, credentials, health center/organization, city and state to our program email bhaecho@salud.unm.edu

Program email: bhaecho@salud.unm.edu
