

New Mexico Opioid ECHO® for Community Health Workers and Peer Support Workers

Register by February 26, 2021

Join this state-wide healthcare training and be a part of the solution to the opioid epidemic.

This TeleECHO™ program is a weekly, online training for Community Health Workers, Peer Support Workers and Patient Navigators. Connect on your computer or Smartphone using Zoom.

**Wednesdays
2:00PM – 3:30PM.**

**March 3, 2021 –
May 19, 2021**

Training provided at NO COST!

Participants receive:

- Up to 18 CHW CEUs certified by the New Mexico Dept. of Health.
- Input on real patient cases from addiction specialists
- Participation in a close community of virtual learners with access to treatment guidelines, tools, and patient resources.

The 12 months ending in May 2020, had the highest number of overdose deaths ever recorded in a 12-month period in the US. (CDC 12/17/20)

New Mexico Opioid ECHO® for Community Health Workers and Peer Support Workers

New Mexicans are dying of Opioid Use Disorder.

In 2018, deaths due to opioids (including prescription opioids, heroin, and fentanyl) accounted for 63% of all drug related deaths. (NIH National Institute of Drug Abuse, April 2020)

You can help!
