**UNM Health and Health Sciences
Office of Faculty Affairs**

- Mission: The mission of the Office of Faculty Academic Affairs is to support the overall vision and mission of Health Sciences by providing meaningful support to HS faculty.
- Vision: Our vision is a Health Sciences in which faculty receive effective, timely, and respectful administrative support, with easily accessible information and efficient mechanisms to express their opinions on matters that affect them.
- The Office supports faculty through the entire lifecycle from hiring to retirement. In addition to supporting hiring, recruitment and contracts, the Office provides support through employment relations, professional ethics, shared governance and inter-academic unit communication and collaboration to make faculty lives better and more meaningful.
