Notice to all respondents:

Amend the Proposal: Electromagnetic Navigational Bronchoscopy System

This **addendum** becomes part of the Proposal Documents and **modifies**, as noted below, the original Bidding Documents.

Question 1: Our legal counsel is reviewing the terms and conditions of the bid (particularly Section III). She has a few changes that she would like to make to those terms and conditions. Should she redline the changes in the body of the actual bid or prepare an exception memo that sets forth the changes in a separate document?

Response to Question 1: Please edit section III Terms and Conditions, as deemed necessary by your legal counsel, via redlines to the body of the actual bid. Exhibit F will be negotiated upon award.

Question 2: Several of the terms and conditions in Section III contain a ** before them (i.e. Section 5.1 and 5.3—and 30 other sections). What do the double asterisks (**) mean?

Response to Question 2: Please disregard double asterisks (**), they have no meaning.

Acknowledge receipt of this Addendum in the space provided in Exhibit A. Failure to do so may subject Offeror to disqualification.

All other provisions of the Proposal Documents shall remain unchanged. This addendum is hereby made a part of the Proposal Documents to the same extent as those provisions contained in the original documents and all itemized listing thereof.
