Date: May 10, 2016

Proposal Number: P350-16

Name of Procurement Specialist: Tarah Santana

Due Date: May 23, 2016 @ 2:00 pm MDT

Notice to all respondents:

Amend the Proposal: P350-16 ELECTROENCEPHALOGRAPHY (EEG) MONITORING SERVICES

This **addendum** becomes part of the Proposal Documents and **modifies**, as noted below, the original Bidding Documents.

Question 1: Should the costs for the vendor-employed tech set-up be included, to place the leads? Or will that be handled by UNMH in-house staff?

UNMH Response to Question 1: Please include pricing as follows;

- a) Combination of remote and onsite monitoring and/or
- b) Remote monitoring only.

Our long-term goal is to build up our internal services such that the contract service is for flex up capacity (remote) only, so UNMH is most interested in the latter but at this point in our journey the former seems to be a possibility.

Acknowledge receipt of this Addendum in the space provided in Exhibit A. Failure to do so may subject Offeror to disqualification.

All other provisions of the Proposal Documents shall remain unchanged. This addendum is hereby made a part of the Proposal Documents to the same extent as those provisions contained in the original documents and all itemized listing thereof.
