- **4.1.2.** Resident veterans businesses with annual revenues of more than $1M but less than $5M are to receive an 8% preference discount on their bids and proposals.
- **4.1.3.** Resident veterans businesses with annual revenues of more than $5M are to receive a 7% preference discount on their bids and proposals.

The following General Terms and Conditions are an equal and integral part of this Request For Proposal (RFP). Should an Offeror object to any of the UNMH Standard Terms and Conditions the Offeror must propose specific alternative language that would be acceptable to UNMH. General references to the Offerors’ terms and conditions or attempts at complete substitutions are not acceptable to UNMH and will result in disqualification of the Offeror’s proposal. Offerors' must provide a brief statement of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

Any proposed changes to the terms and conditions attached to this RFP must be stated in Offerors’ proposal in a Section marked “TERMS AND CONDITIONS”. Seller shall reimburse the University for all incidental and consequential costs related to unaccepted goods or services. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud, or such gross mistakes as amount to fraud. Acceptance of goods or services shall not waive the right to claim damages for breach of contract.

5.2 ALTERNATE OFFERS. Alternate offers will be accepted and considered provided they are “equal to” and meet all specifications of this RFP which may include all specifications of the Brand used to identify the quality of the goods and/or services requested. No change by Seller shall be recognized without written approval of the University. Any claim of Seller for an adjustment under this Paragraph must be made in writing within thirty (30) days from the date of receipt by Seller of notification of such change. 5.50 PUBLIC INFORMATION. All information, except that classified as confidential, will become public information at the time that the RFP is awarded. Confidential information must be marked “CONFIDENTIAL” in red letters in the upper right hand corner of the pages containing the confidential information. Price and information concerning the specifications cannot be considered confidential. (UNMH Purchasing Regulations 11.6.3.)

5.51 PURCHASE ORDER/AGREEMENT. Any resultant Purchase Order/Agreement shall be the sole and entire Purchase Order/Agreement between the parties; any documents incorporated into the Purchase Order/Agreement are listed explicitly on the front side of the Purchase Order/Agreement, or are incorporated by implication by the terms of any resultant Purchase Order/Agreement. Any terms inconsistent with or in addition to any resultant Purchase Order/Agreement proposed by Seller are deemed rejected unless agreed to in writing by an appropriate University official.

5.52 RELATIONSHIP OF PARTIES. The parties and their respective employees are at all times acting as independent Offerors. Offeror will not be considered an employee of UNMH for any purpose, including, but not limited to, workers’ compensation, insurance, bonding or any other benefits afforded to employees of UNMH. Neither party has any express or implied authority to assume or create any obligation or responsibility on behalf of or in the name of the other party.

5.53 RELEASE UNMH REGENTS. The Contractor shall, upon final payment of the amount due under the contract release Regents of the University of New Mexico Hospitals, their officers and employees and the State of New Mexico from liabilities, claims and obligations whatsoever arising from the contract. The Contractor agrees not to purport to bind the University of New Mexico Hospitals or the State of New Mexico to any obligation not assumed in the contract by the Regents of the University of New Mexico Hospitals or the State of New Mexico unless the Contractor has express, written authority to do so, and then only within the strict limits of that authority.

5.54 REMOVAL OF OFFEROR’S EMPLOYEE(S). UNMH may request that Offeror’s employee(s) be removed from the work under the contract for cause. The UNMH may immediately terminate, with written notice to Offeror, the services of any Contractor employee, if the University of New Mexico’s management believes in good faith that Offeror’s employee is unable to perform the services with reasonable skill. Offeror’s agreement may also be terminated if Offeror’s liability insurance coverage is modified or terminated.
REQUEST AS AGREEMENT: This Request for Proposal governs any offer and the selection process. Submission of an offer in response to this Request for Proposal constitutes acceptance of all this Request’s terms and conditions. The terms and conditions of the Request may not be modified, altered, nor amended in any way by any Offer. Any such modification, alteration, or amendment shall be considered to be a request for modification, alteration or amendment, which request shall be deemed denied unless specifically accepted in writing by UNMH. Upon issuance of a Purchase Order, this Request shall be superseded, unless it is referenced on the front page of the Purchase Order, in which case it shall be deemed to be fully incorporated and integrated into the resultant contract.

RETENTION OF RECORDS. Contractor will maintain detailed records indicating the date, time and nature of services provided under the Agreement for a period of at least five years after termination of the Agreement, and will allow access for inspection by the University of New Mexico Hospitals, the Secretary for Health and Human Services, the Comptroller General and the Inspector General to such records for the purpose of verifying costs associated with provisions of services under the Agreement.

RIGHT TO PROTEST. The solicitation of the award of an RFP/Invitation for Bid (IFB) may be protested as per the UNMH Purchasing Regulation 11, Protest Procedures, which may be found at the following UNMH web site: http://www.UNMH.edu/purch/reg11.pdf.

RIGHT TO WAIVE MINOR IRREGULARITIES. The UNMH Evaluation Committee reserves the right to waive minor irregularities. The UNMH Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the UNMH Evaluation Committee.

SCHEDULE DELAYS. If after the award, the Seller becomes aware of possible problems that could result in delay in completion of the work on the agreed-to schedule; the Seller must immediately notify the Buyer or the designated representative. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the Seller of its contractual obligations; however, failure to notify UNMH promptly will be basis for determining the Seller responsibility in an otherwise excusable delay.

SELLER’S EMPLOYEES AND AGENTS. Seller shall have complete charge and responsibility for persons employed by Seller and engaged in the performance of the specified work. The Seller, its agents and employees state that they are independent contractors and not employees of the University. Seller, its agents and employees shall not accrue leave, retirement, insurance, bonding or any other benefit afforded to employees of the University as a result of any resultant Purchase Order/Agreement.

SITE FAMILIARITY. The Seller shall be responsible for thoroughly inspecting the site and work to be done prior to submission of an offer. The Seller warrants by this submission that the site has been thoroughly inspected and the work to be done and that the offer includes all costs required to complete the work. The failure of the Seller to be fully informed regarding the requirements of this Request will not constitute grounds or any claim, demand for adjustment or the withdrawal of an offer after the opening.

SITE INSPECTION. The site(s) referenced in this RFP are available for inspection. Arrangements may be made by contacting the individual listed on the cover shee.

STATE AND LOCAL ORDINANCES. The Seller shall perform work under the resultant contract in strict accordance with the latest adopted version of all State and local codes, ordinances, and regulations governing the work involved. All materials and labor necessary to comply with the rules, regulations and ordinances shall be provided by the Seller. Where the drawings and/or specifications indicate materials or construction in excess of the code requirements, the drawings and/or specifications shall govern. The Seller shall be responsible for the final execution of the work to meet these requirements. In the event of a conflict between various codes and standards, the more stringent shall apply.

STATE AND LOCAL ORDINANCES. The Offeror shall perform work under this contract in strict accordance with the latest adopted version of all State and local codes, ordinances, and regulations governing the work involved.

TAX SEGREGATION (CONSTRUCTION RELATED PROJECTS). In the performance of construction related services under this solicitation, the Seller agrees to work with and cooperate with the University’s Tax Cost Segregation Consultant. The University’s tax cost segregation consultant will be responsible for coordination, oversight and analysis of the effective application of New Mexico Gross Receipts Tax for each general Offeror involved with the construction projects at UNMH. Such services of the segregation consultant will be performed in accordance with New Mexico Statutes and relative regulations governing the application of New Mexico gross receipts tax to tangible personal property acquisition made by UNMH for various construction projects.
5.66 TERMINATION AND DELAYS. The University may by written notice stating the extent and effective date, terminate any resultant Purchase Order/Agreement for convenience in whole or in part, at any time. The University shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) incidental damages, not otherwise recoverable from other sources by Seller, as approved by the University, with respect to the undelivered or unaccepted portion of any resultant Purchase Order/Agreement provided compensation hereunder shall in no event exceed the total contracted price. Such amount will be limited to Seller's actual cost, and may not include anticipated profits. The University shall not be liable for consequential damages. The University may by written notice terminate any resultant Purchase Order/Agreement in whole or in part for Seller's default if Seller refuses or fails to comply with the provisions of a resultant Purchase Order/Agreement or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, the University may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by the University thereby, including incidental and consequential damages. If after notice of termination, the University determines Seller was not in default, or if Seller's default is due to failure of the University, termination shall be deemed for the convenience of the University. The rights and remedies of the University provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under a resultant Purchase Order/Agreement as used in this paragraph, the word “Seller” includes Seller and Seller’s sub-suppliers at any tier.

5.67 THIRD PARTIES. Nothing in this Agreement, express or implied, is intended to confer any rights, remedies, claims, or interests upon a person not a party to this Agreement.

5.68 TITLE AND DELIVERY. Title to the materials and supplies passed hereunder shall pass to the University upon acceptance at the FOB point specified, subject to the right of the University to reject. For any exception to the delivery date specified, Seller shall give prior notification and obtain approval thereto from the University's Purchasing Department. Time is of the essence and the Purchase Order/Agreement is subject to termination for failure to deliver on time.

5.69 WAIVER. The Contract shall contain a provision that states that no waiver of any breach of the Contract or any terms or conditions thereof shall be held to be a waiver of any other or subsequent breach; nor shall any waiver be valid, alleged or binding unless the same shall be in writing and signed by the party to have granted the waiver.

5.70 WARRANTIES. Seller warrants the goods and/or services furnished to be exactly as specified in any resultant Purchase Order/Agreement, free from defects in Seller's design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller. All applicable UCC warranties express and implied are incorporated herein.

5.71 WARRANTY: Please state the warranty for equipment to be supplied under this RFP. A copy of the warranty should be included in your submission.

5.72 WORKERS COMPENSATION. No workers compensation insurance has been or will be obtained by UNMH on account of Seller or its employees or agents. Seller shall comply with the workers compensation laws with respect to Seller and Seller's employees and agents.

5.73 WORKMANSHIP/COOPERATION. All work shall be done in a neat, workman-like manner using acceptable equipment and methods consistent with that level of care and skill ordinarily exercised by members of the profession/trade and in accordance with sound professional/trade standards and ethical practice. The Seller will cooperate with the University and other contractors and coordinate their work involving other contractors through the University's authorized representative.
