

## UNMH Nurse Practitioner (CNP) Neonatal Clinical Privileges

**Name:**

**Effective Dates:** \_\_\_\_\_ **To:** \_\_\_\_\_

*All new applicants must meet the following requirements as approved by the UNMH Board of Trustees effective: 09/25/2015*

### **INSTRUCTIONS**

**Applicant:** Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

**Department Chair:** Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

### **OTHER REQUIREMENTS**

1. Note that privileges granted may only be exercised at UNM Hospitals and clinics that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.
2. This document defines qualifications to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

### *Qualifications for Nurse Practitioner (CNP) Neonatology*

---

***Initial privileges*** - To be eligible to apply for privileges as a neonatal nurse practitioner (NNP), the applicant must meet the following criteria:

Current national certification as a Neonatal Nurse Practitioner with at least 1 year of experience that is directly related to the duties and responsibilities specified.

OR

Master's degree of Science in Nursing or in Science or National certification as Neonatal Nurse Practitioner

OR

Completion of an accredited master's, post-master's, or doctorate from an NP program

AND

Current certification by the National Certification Corporation for the Obstetric, Gynecologic, and Neonatal Nursing Specialties (NCC) OR acute/critical care neonatal certification by the American Association of Critical Care Nurses (AACN)

AND

Current active certification by the Board of Nursing or the state of New Mexico as an advanced nurse practitioner or Certified Neonatal Nurse Practitioner

AND

Maintain current BLS and current area specific advance life support certification (i.e. NRP) as required by job if applicable

***Required current experience:*** Demonstrated current competency and provision of care, reflective of the scope of privileges requested, for an adequate number of patients during the past 12 months, or successful completion of master's / post-masters degree within the past 12 months. Practitioner's experience must correlate to the privileges requested.

***Reappointment Requirements*** - To be eligible to renew privileges as a neonatal nurse practitioner (NNP), the reapplicant must meet the following criteria:

Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

**UNMH Nurse Practitioner (CNP) Neonatal Clinical Privileges**

Name: \_\_\_\_\_  
Effective Dates: \_\_\_\_\_ To: \_\_\_\_\_

**Acknowledgment of practitioner**

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform and for which I wish to exercise at UNM Hospitals and clinics, and I understand that:

- a. In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.
- b. Any restriction on the clinical privileges granted to me is waived in an emergency situation, and in such situation my actions are governed by the applicable section of the medical staff bylaws or related documents.

Signed \_\_\_\_\_ Date \_\_\_\_\_

**Department recommendation(s)**

I have reviewed the requested clinical privileges with the applicant and the supporting documentation for the above-named applicant and:

- Recommend all requested privileges with the standard professional practice plan
- Recommend privileges with the standard professional practice plan and the following conditions/modifications:
- Do not recommend the following requested privileges:
