Initial privileges (initial appointment)  |  | Requested
Renewal of privileges (reappointment)  |  | Requested
Expansion of privileges (modification)  |  | Requested

Clinic: ________________________________ Location: _____________________________

Instructions

Applicant: Check off the “Requested” box for each privilege requested. Applicants have the burden of producing information deemed adequate by the UNMMG Board for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Department Chair & Clinic Medical Director: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

Other Requirements

1. Note that privileges granted may only be exercised at UNMMG clinics that have the appropriate equipment, license, staff and other support required to provide the services defined in this document. Site-specific services may be defined in clinic or department policy.
2. This document defines qualification to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

UNM Medical Group, Inc., is a part of an association of healthcare providers established by the UNM Health Sciences Center Board of Directors under and pursuant to the provisions of the Review Organization Immunity Act, Section 41-9-1 et seq., NMSA 1978 (“ROIA”). The information and materials identified in this document were prepared for the purposes of peer review as described and defined in ROIA and are, therefore, confidential and not to be disclosed except as provided in ROIA.
Physician Assistant (PA) Privileges

Qualifications for Physician Assistant (PA) Core Privileges

Initial Requirements - To be eligible to apply for clinical privileges as a physician assistant (PA), the applicant must meet the following criteria:

1. Current demonstrated competence and an adequate level of current experience documenting the ability to provide services at an acceptable level of quality and efficiency

AND

2. Completion of an Accreditation Review Commission on Education for the Physician Assistant (ARC-PA)-approved program (prior to January 2001, completion of a Commission on Accreditation of Allied Health Education Programs-approved program)

AND

3. Current certification by the National Commission on Certification of Physician Assistants (NCCPA)
