CONFERENCE INFORMATION

A CME-Accredited Conference for Healthcare Educators

Elevate your precepting skills at this dynamic conference designed specifically for clinical educators! Join us for an immersive experience that tackles the real challenges of clinical teaching through evidence-based approaches and collaborative learning.

Discover powerful strategies for:

- Maximizing educational impact in clinical settings
- Navigating difficult conversations with confidence
- Delivering feedback that drives growth without crushing spirit
- Overcoming barriers that hinder effective feedback
- Balancing cognitive load for both you and your students
- Creating psychologically safe learning environments that distinguish productive guilt from harmful shame
- Adapting your teaching to diverse adult learning styles

Connect with fellow preceptors, share experiences, and develop practical skills you can implement immediately. This isn't just another conference—it's a transformative experience that will revolutionize your approach to clinical education.

12.5 CME Credits

For UNM Faculty:
AMEP Credit: Category 3, Category 4 and Category 6 available
