

# Become a Certified Dental Assistant in Just One Year!

**Now Serving Albuquerque!** In Partnership with UNM Gallup,  
We're Offering Satellite Certification Programs Closer to You!

## Program Highlights

- One-year, full time Certificate Program (Fall-Summer)
- Led by Neysa Cox, CDA, RDA, MA, the program offers virtual lectures delivered at our CDS location
- Hands on experience rotating through UNM's Special Needs Clinic, Operating Room , and Ambulatory Surgical Center (ASC)
- Supportive learning environment fostered by our credentialed faculty and experienced clinical staff

## Career Benefits

- Have the opportunity to work at UNM CDS at \$23/hour + benefits
- High demand in under served areas—including special care, pediatric, geriatric, rural, and medically compromised patient populations
- Develop the skills to care for patients in private, public and rural dental health care settings
- Quick entry and certification

## Now Enrolling

- Apply through UNM Gallup for Albuquerque Program today!
- If you like to work with your hands doing a variety of skills, this could be the career for you!
