20TH NATIONAL CONFERENCE FOR DENTAL PUBLIC HEALTH EDUCATORS

a celebratory comprehensive for all topics

We are celebrating 20 years of educating dental hygiene faculty by offering a comprehensive course this year. This course is geared toward the dental hygiene faculty members teaching dental public health, research, basic dental sciences, pain control and clinical courses. Courses continue to emphasize networking groups to help educators enhance their experiences.

EDUCATIONAL STRATEGIES DIRECTED AT TEACHING

Historical perspective and current science

Dental public health and research course development and evaluation

Integration of public health into entire curriculum

Basic dental sciences and clinical correlates

Pain control

Clinical theory and practice

Clinical coordination during and post pandemic

Leadership skill development

High performing employee skills

WORKSHOP TIMES

DISTANCE EDUCATION VIA ZOOM

The workshop will be offered via Zoom Video Conference. This component will allow faculty to attend via their home or classroom for all sessions. All faculty will have access to the recorded sessions after the workshop.

Recorded zoom links to all sessions will be available to all attendees through December 31, 2021.

Attendees will be sent a CEU certificate once the conference is completed live (via zoom) or all zoom recordings have been viewed and a conference evaluation has been returned to UNM Division of Dental Hygiene.

We are hoping to have this conference available in person, but that will be determined by July 31, 2021 depending on the pandemic.
