

May 19, 2017

Greetings EMS training partners:

Listed below are the new fees, and if applicable, course minimum numbers:

Continuing Education Package	First Responder/ EMR	EMT- Basic/EMT	EMT- Intermediate/ AEMT	Paramedic
Instructor salary provided by EMSA *minimum 6 students	\$100/per student	\$135/per student	\$235/per student	\$235/per student
Instructor salary provided by service or institution NO STUDENT MINIMUM	\$85/per student	\$95/per student	\$135/per student	\$135/per student

This continuing education package will include lectures being presented by leading State and National expert(s) in their field. The CE package will update and educate all levels of EMS providers on the latest pre-hospital medical practice and will meet the renewal requirements for the state of New Mexico and National Registry of EMT's NCCP/LCCP/ICCP. This is offered as 1/2 online and 1/2 in the classroom, classroom content to include outlines and lectures have been packaged for instructor convenience, consistency and to ensure all hour and subject requirements are met.

Hours per licensure level:

First Responder/EMR- 10 online, 10 in the classroom

EMT-Basic/EMT- 20 online, 20 in the classroom

EMT Intermediate/AEMT- 25 online, 25 in the classroom

Paramedic- 30 online, 30 in the classroom

The UNM EMS Academy strives to keep fees as low as possible. We will remain focused on making courses accessible in an effort to fulfill the needs of providers around the state with their continuing education needs for re-licensure of both State License and National Registry Certification.

Please submit your course request 45 days in advance of course start date.

Respectfully,

Lindsay Eakes, MBA, NRP  
EMS Academy Director  
Paramedic Programs Director  
Department of Emergency Medicine
