

## Class 2020 Textbook List

**How to use this Booklist:**

These are the books your instructors plan to use during PA courses.

**Required:** 'Yes,' means your instructor plans to use this book during your course. 'No,' means it is not required, but is a good reference for learning the material.

**Available On-line:** Many books are available through the UNM library website. You will have access to these materials electronically after you are enrolled at UNM.

**PA Reserve Library:** The PA Program has a private library containing one copy of each textbook that is not available electronically. You may use these books at the Program office but they are not available for check-out.

**Core Textbooks:** These books will be used as substantial references for many of your courses.
