

## Prerequisites for Bachelor of Science in Medical Laboratory Sciences Degree

**General Information:** Minimum of 67 semester hours, grade of 72 (C) or better

**Minimum Cumulative GPA:** 3.0

### PREREQUISITE COURSEWORK

**Biology Courses (Approx. 16 semester hours)**

**GPA:  $\geq 2.8$  minimum required**

UNM Course
Gen Biology Lecture (BIOL 1140)
Gen Biology Lab (BIOL 1140L)
Cell Biology (BIOL 2110C)
Genetics (BIOL 2410C) must take if no Gen BIO
A&P I (BIOL 2210)
A&P II (BIOL 2225)
Microbiology (BIOL 2305) <b>OR</b> BIOL 351/352L (7-year time limit)

**Chemistry Courses (Approx. 12 semester hours)**

**GPA:  $\geq 2.8$  minimum required**

UNM Course
Gen. Chemistry I Lecture (CHEM 1215)
Gen. Chemistry I Lab (CHEM 1215L)
Gen. Chemistry II Lecture (CHEM 1225)
Gen. Chemistry II Lab (CHEM 1225L)
Organic Chemistry I Lecture (CHEM 301)
Organic Chemistry I Lab (CHEM 303L) <b>OR</b> CHEM 2120 Integrated Organic & Biochemistry

**Mathematics Courses (6 semester hours)**

**GPA:  $\geq 2.8$  minimum required**

UNM Course
College Algebra (MATH 1220)
Statistics (MATH 1350) <b>OR</b> other higher math

## Computer Science/Management/Communication Courses

UNM Course
Computer Science (BCIS 1110)
Management (BUSA 1110)
Communications (COMM 2120 <b>OR</b> COMM 2140)

## UNM General Ed Course Requirements (31 credits)

UNM Course
English (1110 & 1120)
(1 Social Sciences)
(1 Humanities))
(1 Diversity) <a href="https://diverse.unm.edu/about/diversity-education.html">https://diverse.unm.edu/about/diversity-education.html</a>
1 Foreign Language)
(1 Fine Arts)
2 courses from Gen Ed (student choice) 6 credits

**Advanced Placement Information:** <https://admissions.unm.edu/academics/testing/index.html>

**Course Transfer Information:** <https://admissions.unm.edu/future-students/transfer/transfer-equivalencies.html>

**Service work:** not required for admission to MLS Program
