

**University of New Mexico Imaging Physics Residency
Residency Program Disclosure Statement**

CAMPEP Residency Standard 2.13 states “An accredited program must publicly describe the program and the achievements of its residents, preferably through a publicly-accessible website, readily accessible from the program website home page. This information must be updated no less often than annually and must include the numbers of applicants to the program, of applicants offered admission, of residents entering the program, and of graduates. Information on the subsequent positions of graduates shall also be provided, i.e., numbers in academics, clinical practice, industrial positions, etc. This information should not identify individuals.”

The following table provides the required information:
