

**University of New Mexico Imaging Physics Residency  
Residency Program Disclosure Statement**

CAMPEP Residency Standard 2.11 states "A program must publicly describe the program and the achievements of its residents, preferably through a publicly-accessible website. This information must be updated no less often than annually and must include the numbers of applicants to the program, applicants offered admission, residents entering the program, and graduates. Information on the destinations of graduates shall also be provided, i.e., numbers in academics, clinical practice, industry positions, etc."

The following table provides the required information:

Calendar Year	Number of Applications	Number Offered Admission	Number Enrolled in Program	Number Completing Program	Destination of Graduates						
					Clinical	Industry	Academic	Government	Additional Education	Still Seeking Position	Other
2016	1	1	1	0							
2017	0	0	1	0							
2018	19	1	2	1	1						
2019	36	1	2	0							
2020	31	1	2	1	1
