

UNM DERMATOLOGY RESIDENCY VIRTUAL OPEN HOUSE SESSIONS

Join us for a virtual opportunity to learn about
and connect with our residency program.

This year, while we can't host medical students in person for rotations or for interviews, we'd love to get to know one another virtually in one of our Virtual Open Houses. We're hosting four sessions for prospective dermatology residents, where you can meet our Program Director, Dr. Emily Altman, Program Coordinator, Kathy Freise, our faculty and our residents.

Come join us!

Advance registration is required.

Attendance is limited to fourth-year medical students, residents and fellows.

After registering, you will receive a confirmation email with a link to join your Virtual Open House session.

Please click on one of the dates on the right to register and learn more!
