# Feedback with Good Judgment Steps

**Observation**

- I noticed....
- I observed....
- When I saw...
- When I heard...
- When I reviewed...
- XXX reported that...

**Advocacy**

- I know...
- I think...
- From my perspective...
- It's important to know that...
- I am/I would be worried that...
- I am wondering...

**Inquiry**

- What are your thoughts?
- What was your take on that?
- How did you see it?
- Can you tell me more?
- What was your frame?
